DeKalb Completes Garbage Roll Cart Delivery to Residents in Single-Family Detached Homes

Townhome and condominium delivery underway

DECATUR, Ga. – The DeKalb County Sanitation Division announces the **completion of garbage roll cart delivery to Monday, Tuesday, Wednesday and Thursday once-a-week customers** in single-family detached homes in all areas of DeKalb County. Residents in these communities who do not have a roll cart should contact the Sanitation Division’s customer service team at 404-294-2900.

Roll cart delivery to townhome and condominium residents is underway, and carts are being distributed as they become available. Association presidents and leaders in communities where roll carts have not been delivered, or a roll cart declaration form indicating residents’ roll cart preference has not been completed should contact Adrian Sloan at 404-294-2310 or adsloan@dekalbcountyga.gov.

Reminder notices advising of customers’ new collection day and literature regarding the collection service change are being delivered with each roll cart.

Roll cart delivery to townhomes and condominiums marks the end of Phase I of the [“Rolling Forward to One”](#) program, with Phase II expected to begin in late October. More information on Phase II, which includes a focus on recycling and rightsizing roll cart requests, will be provided in the coming weeks.
