DeKalb Continues Garbage Roll Cart Delivery to Townhome and Condominium Residents

Residents without roll carts urged to contact Sanitation Division

DECATUR, Ga. – The DeKalb County Sanitation Division announces the continuation of garbage roll cart delivery to townhome and condominium residents in all areas of DeKalb County.

Residents, association presidents, and leaders in townhome and condominium communities where roll carts have not been delivered, or a roll cart declaration form indicating residents' roll cart preference has not been completed should contact Adrian Sloan at 404-294-2310 or adsloan@dekalbcountyga.gov. The roll cart declaration form is also available at www.rollingforwardtoone.com.

Condominium and townhome communities that have not contacted the Sanitation Division by Oct. 30 regarding roll cart preferences will receive the County's standard-size 65-gallon garbage roll cart.

Residents in single-family detached homes who have not received a garbage roll cart should contact the Sanitation Division's customer service team at 404-294-2900.

Roll cart delivery to townhomes and condominiums marks the end of Phase I of the "[Rolling Forward to One](#)" program, with Phase II expected to begin early November. More information on Phase II, with a focus on recycling, will be provided in the coming weeks.

For program updates, inquiries from customers who have not received a roll cart, or more details about the sanitation service change, including a comprehensive list of frequently asked questions (FAQ), contact the Sanitation Division's customer service team at 404-294-2900 or sanitation@dekalbcountyga.gov, or visit the "Rolling Forward to One" program website at www.rollingforwardtoone.com.
