# Registration Deadline & Fees

We are proud to be able to help promote healthy lifestyles for adults, particularly seniors of 50 years and older. It's no secret that baby boomers have entered their golden years and are becoming more conscious about health and the way they age. Staying fit and active is the best answer to aging. The Senior Olympic Games provide an excellent way to maintain or improve physical and mental condition as well as coordination, while enjoying some friendly competition. Plus, you meet new friends, engage the whole family in the fitness mode and you can become a volunteer, too! The Department of Recreation, Parks & Cultural Affairs invites all men and women 50 years of age and older to come and participate in this wonderful senior athletic event. There are individual and team events offered. Our mission is to promote healthy lifestyles for seniors through fun, fitness, and play. We are looking forward to having you join us this May.
