

Public Hearing: YES NO

Department: Planning & Sustainability

SUBJECT:

COMMISSION DISTRICT(S): Commission District 04 Super District 07

Application Of Dr. Claudette Spencer to rezone property from R-75 (Residential Medium Lot-75) zoning district To MU-1 (Mixed-Use Low Density) zoning district to allow for an adult day care facility, at 911 Mountain View Drive.

PETITION NO: N1-2024-0626 Z-24-1246990

PROPOSED USE: Adult day care facility

LOCATION: 911 Mountain View Drive, Stone Mountain, GA 30083

PARCEL NO. : 18 091 03 035

INFO. CONTACT: Lucas Carter, Planner

PHONE NUMBER: 404-371-4922

PURPOSE:

Application of Dr. Claudette Spencer to rezone from R-75 (Residential Medium Lot-75) zoning district to MU-1 (Mixed-Use Low Density) zoning district to allow for an adult day care facility.

RECOMMENDATION:

COMMUNITY COUNCIL: Approval with conditions.

PLANNING COMMISSION: (July 11, 2024) Full cycle deferral.

PLANNING STAFF: (rev. 07.17.2024) Two-cycle deferral.

STAFF ANALYSIS: (rev. 07.17.2024) The proposed request is to rezone from R-75 (Residential Medium Lot-75) to MU-1 (Mixed-Use-1) for 911 Mountain View Road in Stone Mountain, Georgia is necessary to permit the operation of an Adult Day Care Center within the existing building on the premises with the intention to operate during daylight hours, 9 AM to 6 PM, and will not provide overnight accommodation. The property includes three bathrooms (including a handicap-accessible shower), an office, a quiet room, a medication room, a large dining room, a television room, a laundry room, and a kitchen according to the application. Additionally, it features four entry points, two of which are handicap-accessible ramps equipped with alarms. The premises also has a large rear patio, a covered deck for outdoor seating, and an acre of grassy area. The proposed *Adult Day Care Center* is deemed suitable considering the use and development patterns of adjacent and nearby properties. The land borders a mix of zoning districts areas classified as C-1 (local commercial), MR-1 (medium density residential), and RSM (Residential Small Mix). Therefore, the proposed use may be compatible with surrounding land uses and density and is not anticipated to adversely affect the existing use or usability of adjacent properties. Additionally, the planned use aligns with the current infrastructure. The existing house on the property has sufficient amenities to support the operations of an *Adult Day Care Center* without necessitating significant alterations or placing undue strain on local streets, transportation facilities, utilities, or schools. The proposed rezoning is consistent with the written policies in the comprehensive plan text. The property is designated as SUB (Suburban) and is adjacent to a CRC (Commercial Redevelopment Corridor) district. This rezoning aligns with the comprehensive plan's goals to provide infill amenities and essential services to neighboring residential communities according to the "Development" on page 41 of the *2050 Comprehensive Plan*. There are no historical buildings, sites, districts, or archaeological resources in the vicinity that would be affected by the proposed

rezoning. Additionally, there do not appear to be any existing or changing conditions affecting the use and development of the land. The development of an Adult Day Health Center may be supportive of the nearby and adjacent CRC Character Area which calls for the redevelopment and revitalization of commercial corridors according to CRC development standards on page 37 of the *2050 Comprehensive Plan*. However, the development does not appear to meet the MU-1 (Mixed Use) land use and dimensional requirements. MU-1 requires a mixture of land uses, and only one land use is proposed (Adult Day Care Center). Therefore, it may be appropriate for the applicant to consider changing their rezone request to another zoning district such as C-1 which does not require a mixture of land uses and is located in the immediate vicinity of the subject property. Additionally, the application lacks a site plan which is needed to properly evaluate the impact on surrounding parcels, infrastructure, and public welfare. The MU-1 standards may require variances such as, but not limited to, a 50-foot transitional buffer. The application includes photos of the property with notes pointing to driveway installations and fence replacements and one stating, "Architectural drawings in progress". These architectural drawings will be required for staff to make a recommendation. While the proposed rezoning to a mixed-use classification fits within the existing neighborhood context and infrastructure and appears to align with the objectives of the *2050 Comprehensive Plan*, it does not appear to comply with the MU-1 zoning requirement to provide a mixture of land uses, to include both commercial and residential uses. Additionally, no site plan has been submitted to determine if there is compliance with dimensional requirements such as but not limited to parking, building setbacks, and transitional buffers. Therefore, staff recommends a "Two-cycle deferral to the November 2024 zoning agenda to allow the applicant to consider and respond to these issues".

PLANNING COMMISSION VOTE: (July 11, 2024) Full cycle deferral 6-0-0. LaSonya Osler moved, Jana Johnson seconded for a full cycle deferral to the September 2024 zoning agenda.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval (10-0-0) with the following conditions: 1) The use be restricted to an adult day care only; 2) The deciduous tree(s) in the front of the property be saved.

Staff Recommendation: TWO-CYCLE DEFERRAL

The proposed request is to rezone from R-75 (Residential Medium Lot-75) to MU-1 (Mixed-Use-1) for 911 Mountain View Drive in Stone Mountain, Georgia is necessary to permit the operation of an Adult Day Care Center within the existing building on the premises with the intention to operate during daylight hours, 9 AM to 6 PM, and will not provide overnight accommodation.

The property includes three bathrooms (including a handicap-accessible shower), an office, a quiet room, a medication room, a large dining room, a television room, a laundry room, and a kitchen according to the application. Additionally, it features four entry points, two of which are handicap-accessible ramps equipped with alarms. The premises also has a large rear patio, a covered deck for outdoor seating, and an acre of grassy area.

The proposed *Adult Day Care Center* is deemed suitable considering the use and development patterns of adjacent and nearby properties. The land borders a mix of zoning districts areas classified as C-1 (local commercial), MR-1 (medium density residential), and RSM (Residential Small Mix). Therefore, the

proposed use may be compatible with surrounding land uses and density, and is not anticipated to adversely affect the existing use or usability of adjacent properties. Additionally, the planned use aligns with the current infrastructure. The existing house on the property has sufficient amenities to support the operations of an *Adult Day Care Center* without necessitating significant alterations or placing undue strain on local streets, transportation facilities, utilities, or schools.

The proposed rezoning is consistent with the written policies in the comprehensive plan text. The property is designated as SUB (Suburban) and is adjacent to a CRC (Commercial Redevelopment Corridor) district. This rezoning aligns with the comprehensive plan's goals to provide infill amenities and essential services to neighboring residential communities according to the "Development" on page 41 of the *2050 Comprehensive Plan*. There are no historical buildings, sites, districts, or archaeological resources in the vicinity that would be affected by the proposed rezoning. Additionally, there do not appear to be any existing or changing conditions affecting the use and development of the land. The development of an Adult Day Health Center may be supportive of the nearby and adjacent CRC Character Area which calls for the redevelopment and revitalization of commercial corridors according to CRC development standards on page 37 of the *2050 Comprehensive Plan*.

However, the development does not appear to meet the MU-1 (Mixed Use) land use and dimensional requirements. MU-1 requires a mixture of land uses, and only one land use is proposed (Adult Day Care Center). Therefore, it may be appropriate for the applicant to consider changing their rezone request to another zoning district such as C-1 which does not require a mixture of land uses and is located in the immediate vicinity of the subject property. Additionally, the application lacks a site plan which is needed to properly evaluate the impact on surrounding parcels, infrastructure, and public welfare. The MU-1 standards may require variances such as, but not limited to, a 50-foot transitional buffer. The application includes photos of the property with notes pointing to driveway installations and fence replacements and one stating, "Architectural drawings in progress". These architectural drawings will be required for staff to make a recommendation.

While the proposed rezoning to a mixed-use classification fits within the existing neighborhood context and infrastructure and appears to align with the objectives of the *2050 Comprehensive Plan*, it does not appear to comply with the MU-1 zoning requirement to provide a mixture of land uses, to include both commercial and residential uses. Additionally, no site plan has been submitted to determine if there is compliance with dimensional requirements such as but not limited to parking, building setbacks, and transitional buffers. Therefore, staff recommends a two-cycle deferral of the rezoning request to allow the applicant to consider and respond to these issues.

ZONING COMMENTS – JUNE 2024

N1. 911 Mountain View Drive. Mountain View Drive is classified as a collector road. If a land development permit is required- Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 35 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR (PREFERRED) a 10-foot multiuse path. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). Mountain View Circle and Mountain Springs Way are classified as local roads. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 27.5 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with a 5-foot sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). No poles may remain within the limits of the path/sidewalk on any street. Only one access point allowed on Mountain View Drive. Refer to Code Section 14-200 (6) for driveway spacing. Consider the circulation loop having access off Mountain View Circle. No parking allowed on the right of way. Verify that all access points have intersection and stopping sight distance as described by AASHTO.

N2. 498 Crestwood Ct: No comment.

N3. 6061 Redan Road. Redan Road is classified as a minor arterial. If a land development permit is required- Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 40 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR (PREFERRED) a 10-foot multiuse path. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). Young Road is classified as a collector road. If a land development permit is required- Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 35 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR (PREFERRED) a 10-foot multiuse path. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). Verify that all access points have intersection and stopping sight distance as described by AASHTO. Provide a direct pedestrian connection between the public infrastructure/right of way to the building. One right in/left in/right out access point on Redan Road. Install physical barrier to prevent left turns and include a no left turn signage. Only one access point allowed on Young Road- away from the signalized intersection as possible. Update pedestrian striping and ADA ramps at traffic signal. Bring curb and gutter up to current standards along property frontage. No poles may remain within the limits of the path/sidewalk on any street.

N4. 1422 Rock Chapel Road. Rock Chapel Road is state route 124. GDOT review and approval is required prior to permitting. (JLivingston@dot.ga.gov) Rock Chapel Road is classified as a major arterial. If a land development permit is required- Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 50 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR (PREFERRED) a 10-foot multiuse path. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). If applicant is seeking a variance from the above infrastructure requirements, it is suggested to seek during the zoning process. Verify that all access points have intersection and stopping sight distance as described by AASHTO. No poles may remain within the limits of the path/sidewalk on any street.

N5. No comment

N6. 2933 N Druid Hills Rd. Additional coordination is required with the PW- Transportation Division on related to the North Druid Hills Study Section 1B. The Transportation Division has applied for federal funds to design and construct this project. Dedicate necessary right of way for the project. Recommend variance for all other infrastructure improvements until the project is delivered during zoning process. Please note the final position of access points. Verify that all access points have intersection and stopping sight distance as described by AASHTO.

N7. 5370, 5384, 5378 Flat Shoals Parkway. Flat Shoals Parkway is SR 155. GDOT review and permits required prior to permitting. (JLivingston@dot.ga.gov) Flat Shoals Parkway is classified as a major arterial. If a land development permit is required- Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 50 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR (PREFERRED) a 10-foot multiuse path. Requires pedestrian scale streetlights. (hewfowler@dekalbcountyga.gov). Verify that all access points have intersection and stopping sight distance as described by AASHTO. No poles may remain within the limits of the path/sidewalk on any street. Private roads must be built to public road standards. All interior roads are to be private and maintained by a Homeowner’s Association. Verify the distance between the garage door and sidewalk is long enough to accommodate a vehicle without blocking the sidewalk. Make sure that sidewalk/pedestrian paths meet ADA requirements at driveways. If street is less than 24 feet wide, no on street parking allowed. Add no parking signs and include parking restrictions in neighborhood covenants.

N8. 1850 Lawrenceville Hwy. Lawrenceville Hwy is SR 8. GDOT review and permits required prior to permitting. (JLivingston@dot.ga.gov) Lawrenceville Hwy is classified as a major arterial. If a land development permit is required- Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 50 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR (PREFERRED) a 10-foot multiuse

path. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). Verify that all access points have intersection and stopping sight distance as described by AASHTO. No poles may remain within the limits of the path/sidewalk on any street. If seeking a variance from infrastructure improvements: At a minimum, add an 8-foot sidewalk for connection to South Fork Peachtree Creek Multiuse Trail along frontage and dedicate right of way needed.

6/14/2024

To: LaSondra H. Hill
From: Ryan Cira, Environmental Health Director
Cc: Alan Gaines, Deputy Director
Re: Rezone Application Review

General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network or begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

DEKALB COUNTY GOVERNMENT PLANNING DEPARTMENT DISTRIBUTION FORM

The following areas below may warrant comments from the Development Division. Please respond accordingly as the issues relate to the proposed request and the site plan enclosed as it relates to Chapter 14. You may address applicable disciplines.

1236990 Review disposition comment: See specific comments below. No objection.

Andrew for DeKalb Co.

DEVELOPMENT ANALYSIS:

- **Transportation/Access/Row**

Consult the Georgia DOT as well as the DeKalb County Transportation Department prior to land development permit. Verify widths from the centerline of the roadways to the property line for possible right-of-way dedication. Improvements within the right-of-way may be required as a condition for land development application review approval. Safe vehicular circulation is required. Paved off-street parking is required. Land development permit is required for the proposed driveway.

- **Storm Water Management**

Compliance with the DeKalb County Code of Ordinances 14-40 for Stormwater management and water quality control and Georgia Stormwater Management Manual is required as a condition of land development permit approval.

- **Flood Hazard Area/Wetlands**

The presence of FEMA Flood Hazard Area, local floodplain, or local flood prone areas was not indicated in the County G.I.S. mapping records for the site; and should be noted in the plans at the time of any land development permit application.

- **Landscaping/Tree Preservation**

Landscaping and tree preservation plans for any building, or parking lot must comply with DeKalb County Code of Ordinances 14-39 and are subject to approval from the County Arborist.

- **Tributary Buffer**

State water buffer was not reflected in the DeKalb County G.I.S. records for the site. Typical state waters buffer have a 75' undisturbed stream buffer and land development within the undisturbed creek buffer is prohibited without a variance per DeKalb County Code of Ordinances 14-44.1.

- **Fire Safety**

Plans for land development permit must comply with Chapter 12 DeKalb County Code for fire protection and prevention.

Please provide additional information relating to the following statement.

According to studies conducted by the Institute of Traffic Engineers (ITE) 6/7th Edition (whichever is applicable), churches generate an average of fifteen (15) vehicle trip end (VTE) per 1,000 square feet of floor area, with an eight (8%) percent peak hour factor. Based on the above formula, the _____ square foot place of worship building would generate _____ vehicle trip ends, with approximately _____ peak hour vehicle trip ends.

Single Family residence, on the other hand, would generate ten (10) VTE's per day per dwelling unit, with a ten (10%) percent peak hour factor. Based on the above referenced formula, the _____ (Single Family Residential) District designation which allows a maximum of _____ units per acres, and the given fact that the project site is approximately _____ acres in land area, _____ daily vehicle trip end, and _____ peak hour vehicle trip end would be generated with residential development of the parcel.

SPECIAL LAND USE PERMIT (SLUP) APPLICATION CHECKLIST

EMAIL COMPLETED PACKET IN ONE (1) PDF to PLANNER

- X 1. Schedule a mandatory **Pre-Application Conference** with Planning & Sustainability staff by appointment. Pre-Application form (to be completed in pre-application meeting). Please email lahill@dekalbcountyga.gov for appointment.
- X 2. Hold a **Pre-Submittal Community Meeting** with surrounding neighborhood associations and residents. Provide documentation of the meeting (meeting notice and sign in sheets). Letter(s) from homeowners' association(s) may also be provided.
- X 3. Submit: **Application** - Submit 1 complete, combined PDF version via email or flash drive. Please assemble materials in the following order:
 - X **A. Application form** with name and address of applicant and owner, and address of subject property;
 - X **B. Pre-submittal community meeting notice and sign-in sheet** and other documentation of meeting, if any;
 - X **C. Letter of application and impact analysis**
 - X 1. **Letter of application** identifying a) the proposed zoning classification, b) the reason for the rezoning or special use or modification request, c) the existing and proposed use of the property, d) detailed characteristics of the proposed use (e.g., floor area, height of building(s), number of units, mix of unit types, number of employees, manner and hours of operation), d)(optional) statement of conditions discussed with the neighborhood or community, if any.
 - X 2. **Impact analysis** of the anticipated impact of the proposed use and rezoning on the surrounding properties in response to the standards and factors specified in Article 7.3 of the DeKalb County Zoning Ordinance, as attached. If a Major Modification, please include previously approved conditions and Board of Commissioner meeting minutes.
 - n/a **D. Authorization Form**, if applicant is not the owner. Must be signed by all owners of the subject property and notarized. Authorization must contain the mailing address and phone number of any applicant or agent who is authorized to represent the owner(s) of the subject property. Please include warranty deed, if property ownership is less than 2 years.
 - n/a **E. Campaign disclosure statement** (required by State law).
 - X **F. Legal boundary survey** of the subject property, (showing boundaries, structures, and improvements), prepared and sealed within the last year by a professional engineer or land surveyor registered in the State of Georgia. *(If survey shows property on opposite sides of a public street right-of-way, file a separate application for each property.)*
 - n/a **G. Site Plan**, printed to scale, folded, of any existing and or proposed development/redevelopment. For projects larger than 1 acre, site plan should be at least 1:50 scale. The site plan must include the following
 - n/a a. boundaries of subject property;
 - n/a b. dimensioned access points and vehicular circulation drives;
 - n/a c. location of all existing and proposed buildings, structures, setbacks and parking;
 - n/a d. location of 100-year floodplain and any streams;
 - n/a e. notation of the total acreage or square footage of the subject property;
 - n/a f. landscaping, tree removal and replacement, buffer(s); and
 - n/a g. site plan notes of building square footages, heights, density calculations, lot coverage of impervious surfaces, parking ratios, open space calculations, and other applicable district standards.
 - X **H. Written Legal Description** of metes and bounds of the subject property (can be printed on site plan or survey).
 - X **I. Building Form Information**. Elevation (line drawing or rendering), or details of proposed materials, in compliance with Article 5 of the Zoning Ordinance.
 - X **J. Completed, signed Pre-application Form** (Provided at pre-application meeting.)

INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED

Attendance at community meeting

RE: A Proposed zoning modification at 911 Mountain view Drive, Stone Mountain, Georgia 30083.

Dear Property Owner:

We would like for you to join our Zoom Video Meeting on Friday **April 5, 2024** from 6pm to 7pm to discuss a proposed rezoning for the property at 911 Mountain view Drive, Stone Mountain, Georgia, 30083. We are seeking a zoning change to mixed use for the sole purpose of conducting business as a non-profit Adult Day Health Center. The outward appearance of the property will remain intact, however, the zoning change to mixed use, will allow the property to be utilized to serve a greater need for elderly persons in our community.

Below are the meeting instructions. There are multiple ways for you to join the meeting, including via your computer, tablet or cell phone, with or without video. If you are unable to make it, but would like to learn more, please contact Carmella at the number listed or email her at carmella@caringhandsunited.com to request an emailed summary of the meeting.

DISCLOSURE OF CAMPAIGN CONTRIBUTION

In accordance with the Conflict of Interest in Zoning Act, OCGA Chapter 36-67A, the following questions must be answered.

Have you, the applicant, made \$250.00 or more in campaign contribution to a local government official within two years immediately preceding the filing of this application?

Yes _____ No X *

If the answer is yes, you must file a disclosure report with the governing authority of DeKalb County showing:

1. The name and official position of the local government official to whom the campaign contribution was made.
2. The dollar amount and description of each campaign contribution made during the two years immediately preceding the filing of this application and the date of each such contribution.

The disclosure must be filed within 10 days after the application is first filed and must be submitted to the C.E.O. and to the Board of Commissioners of DeKalb County, 1300 Commerce Drive, Decatur, GA 30030.

My Commission Expires June 22, 2026

Expiration Date/ Seal

*Notary seal not needed if answer is "no".

C. 1 Letter of application and impact analysis

The proposed zoning classification requested for 911 Mountain View Road in Stone Mountain Georgia is mixed use (HR-1, HR-2, HR-3, MU-1, MU-2, MU-3, MU-4, MU-5, O-I, OD, OIT, NS, C-1, C-2, M, M-2) to conduct business on the property classified as an Adult Day Health Center. The reason for the rezoning request is because the property is currently zoned as R75 which would not permit more than 6 elderly persons to attend the day program. The existing property is utilized as a guest house by the owner and proposed use of the property is as mentioned, an Adult Day Health Center.

The property consists of 3 baths (1 handicap accessible shower included), one office, one quite room, a medication room, a large dining room, a television room, laundry room, kitchen. The building has four accesses, 2 handicap ramp accesses with ramps (with alarm), a side entrance into the kitchen, a secured door at the front (with alarm). There is a large rear patio and covered deck for outdoor seating and over an acre of grassy area for outdoor activities.

The number of employees would be based on the number of clients enrolled with the minimum being one nurse practitioner (on call), one registered nurse (part-time), one LPN (full-time), an administrator, a care assistant for every 8 clients (full-time), and one activity director (full-time). The hours of operation will be 8am to 6pm to accommodate clients with varying schedules from one day weekly to a maximum of 5 days weekly, half or full day. A continental breakfast, a boxed lunch and an afternoon snack will be provided with strict adherence to ADA guidelines as prescribed by a registered dietitian. Building occupancy to be determined by the regulatory bodies (fire department). Fire inspection planned upon rezone approval.

A community meeting was held on April 5th at 6pm. The above description of the property, staffing and details of the day-to-day operation was discussed with the neighborhood residents.

C. 2 Impact analysis

The anticipated impact of the proposed use and rezoning on the surrounding properties in response to the standards and factors specified in Article 7.3 of the DeKalb County Zoning Ordinance, is minimal. The flow of traffic will be one way in that vehicles would enter on one end of the property and exit on the other end. Considering that most of the clients would be transported to the facility on a 10-seater minibus, there is little if any disturbance to the surrounding traffic flow. There is adequate parking on the property for staff and visitors.

There were three concerns mentioned by the neighbors attending the zoom meeting. (1) Effect on traffic. (2) Security of the rear fence. (3) Security from external sources. (1) A circular driveway will be installed upon approval of rezoning to facilitate a safe and efficient traffic flow to and from the building. (2) The rear fence will be replaced with a more secure fence that would prevent elopement or unwanted visitors. (3) Security was mentioned by neighbors at the zoom meeting, there is no plans to hire armed guards, however the building would be secured with alarms.

Contract For drawings that meets check list
requirement F, H
(Ordered but pending)

SinglePoint Services

Re: **Proposal for Professional Land Surveying Services**
911 Mountainview Dr, Stone Mountain, GA 30083, DeKalb County, Georgia

Ms. Spencer:

SinglePoint Services is pleased to submit the following proposal to provide Professional Land Surveying Services for above noted project. The scope of services is to prepare a boundary retracement survey of the subject property and provide a plat of the survey. It is our understanding that the property is an existing single parcel of land and that no subdivision or reconfiguration is needed.

SCOPE OF SERVICES

Boundary Retracement Survey in accordance with Georgia Law

- Record research of property for current property deeds and plats, obtain existing right-of-way plans, if applicable.
- Field location of existing property evidence and nearby improvements.
- Clearly identify existing property corners and other evidence of boundary lines.
- Field location of existing features along the exterior property boundary including the location of buildings, structures, fences, parking areas, sidewalks and paved areas, above ground utility appurtenances, and other substantial improvements.
- Preparation of a survey plat in accordance with Georgia Law.

ASSUMPTIONS/REQUIREMENTS:

- Client to ensure access to property including coordinating access to any fence gates on the premises.
- All surveying services shall be performed under the direct supervision of a Georgia Professional Land Surveyor in accordance with the technical standards established by the State of Georgia.

COMPENSATION AND SCHEDULE

Our fee for the completion of the above Scope of Services shall be \$1,500 (lump sum). We anticipate this survey can be completed in 15 business days from Notice to Proceed, weather dependent.

DELIVERABLES

- Final survey drawing shall be provided to client in pdf format and shall bear the seal and signature of the Georgia Professional Land Surveyor in charge.
- Paper copies of the survey drawing are available on request. Client shall be responsible for any printing and/or shipping cost incurred.

This proposal is valid for thirty (30) days from the date of the proposal. If the proposal is not accepted within thirty (30) days, we reserve the right to revise or withdraw the proposal entirely at our discretion.

We look forward to working with you and appreciate this opportunity to serve your needs. If you have any questions or need additional information, please feel free to call us.

Respectfully submitted,

Josh W. Trawick, PLS, PE

Director of Land Surveying & Engineering Services

jtrawick@singlepointag.com

I hereby authorize SinglePoint Services to proceed with the work described above.
