## UNINCORPORATED DEKALB COUNTY

### EMERGENCY REPAIRS

Due to inclement weather forecast, where equipment replacements and repairs must be performed in an emergency situation, the *permit* application shall be submitted within the next working business day to the building official.

For electrical emergencies caused by storm damage to occupied residential and businesses, please contact DeKalb County Lead Electrical Inspector Ray Tucker at (404) 319-3435.

Additionally, please be aware that due to inclement weather, inspections that are currently scheduled for Thursday and Friday (9/26/2024 and 9/27/2024) may be rolled over to the next working business day.
