1. Reduce by variance any front, side or rear yard setback by an amount not to exceed ten percent (10%) of the district requirement, but not including any transitional buffer zone or any setback which is a condition of zoning or special land use permit, pursuant to the standards specified in Section 27-916.
  2. Reduce by variance the required spacing between buildings in districts where multiple buildings are authorized on a single lot in an amount not to exceed 10% of the requirement, but not in an amount which is less than the minimum requirement imposed by Chapter 7 of the DeKalb County Code of Ordinances, pursuant to the standards specified in Section 27-916.
  3. Reduce by special exception the off-street parking or loading requirements imposed by this Chapter in an amount not to exceed ten percent (10%) of the district requirement, pursuant to the standards specified in Section 27-913.A.
  4. Reduce by special exception the off-street parking requirements imposed by this Chapter for any lot which is located 1,000 feet of the boundary of a Marta Rapid Transit Station in an amount not to exceed 25 percent of the district requirement, pursuant to the standards specified in Section 27-913.B.
- B. Any request for administrative variance or special exception permitted by this Section shall be filed with the Director of Planning.   - c. The grant of the variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the zoning district in which the subject property is located.
