Decatur, GA, 30030

Subject: Letter Regarding the Safety, Storage, and Security Benefits of Our New Garage Addition

Dear Department of Planning & Sustainable Variance Board,

I am writing to inform you of the recent addition of a new garage to our property and to highlight the multiple benefits it brings not only to our household but also to the surrounding neighborhood. This new structure is designed to enhance safety, provide valuable storage space, and reduce the risk of property crimes such as break-ins, robberies and theft. In addition, the arrangements we have made regarding the safe storage and security of my father's assisted living equipment while he is staying with us in our home. The construction of our new garage addition also plays a key role in this process, ensuring that all necessary equipment is stored appropriately and securely.

Specifically, the new garage serves the following important purposes:

1. Increased Safety for Our Property

The addition of a secure, enclosed garage significantly improves the safety of our home. By providing a designated area for parking, we can ensure that our vehicles are kept off the street and away from potential hazards, such as traffic accidents or vandalism. The garage serves as a protective barrier between our home and the exterior, creating an additional layer of security for our family and property.

2. Enhanced Storage Space

In addition to providing security for our vehicles, the garage offers much-needed storage space for tools, equipment, and personal items. This not only helps us keep our home more organized and decluttered but also allows us to store valuable or seasonal items in a secure environment, further reducing the risk of theft or damage. The added storage space will help maintain my father's assisted living equipment, including mobility aids and other medical devices, which will

be safely stored in a designated area, reducing the risk of damage or tripping hazards within our home. This will ensure a tidy and safe environment both inside and outside our home.

3. Reduced Risk of Break-Ins and Theft

One of the primary benefits of the garage is its ability to protect our vehicles and belongings from potential theft or break-ins. With the garage securely locking our vehicles and items away from view, it reduces the temptation for criminals who might otherwise target our property if items were left unattended or visible in the driveway. This addition contributes to the overall safety of our neighborhood by minimizing opportunities for crime in the area. In our neighborhood, vehicles parked on the street and in drive-ways have been targeted by criminals checking doors, breaking into locked cars and going as far as brandishing a weapon and opening fire on a homeowner.

4. Improved Neighborhood Security

The new garage not only benefits our household but also contributes to the overall security of our neighborhood. By investing in this upgrade, we are helping to create a safer environment for everyone. The garage reduces clutter, discourages unauthorized access to our property, and sends a positive signal that our neighborhood is one where residents are proactive in safeguarding their homes and their belongings.

5. County and Government Vehicles

Street parking prevents Dekalb County Sanitation trucks from picking up the trash weekly, unless cars are moved off the street to allow the trucks to maneuver safely without incident around the cul de sac and neighborhood due to the narrow streets. This also allows road space for larger emergency vehicles (ambulance and fire trucks) access for emergency responders.

In summary, this addition has been carefully planned to meet my father's equipment storage and future needs, ensuring that his comfort, safety, and mobility are prioritized. Additionally, this new garage addition is a significant improvement that increases both the safety and security of our property while offering additional storage space. These enhancements will provide long-term benefits not only for us as homeowners but also for the community as a whole by fostering a safer, more organized living environment.

Thank you for your time and consideration. Please feel free to reach out if you have any questions or require additional information about the new garage or its benefits.

Sincerely,

Andra Johnson

EROSION CONTROL LEGEND
 APPLY TO ALL DISTURBED AREAS

Ds1 A. TEMPORARY COVER OF PLANT RESIDUES APPLIED TO THE SOIL SURFACE FOR A PERIOD OF (6) MONTHS OR LESS WHEN SEEDING IS NOT PRACTICAL

Ds2 ESTABLISHING A TEMPORARY NEGATIVE COVER WITH FAST GROWING SEEDING ON DISTURBED AREAS. SEE EROSION CONTROL NOTES

Ds3 ESTABLISHING PERMANENT VEGETATIVE COVER SUCH AS TREES, SHRUBS, VINES, GRASSES OR LEGUMES ON DISTURBED AREAS. SEE ENLARGED PLANS

Ds4 DISTURBED AREA STABILIZATION (WITH SODDING)

Du CONTROLLING SURFACE AND AIR MOVEMENT OF DUST ON LAND DISTURBING ACTIVITIES

- Section V - Erosion Control**
- The escape of sediment from the site shall be prevented by the installation of erosion and sediment control measures prior to or concurrent with land-disturbing activities.
 - Erosion control measures shall be maintained at all times until the site is stabilized and the erosion control measures are no longer needed.
 - Additional erosion control measures shall be installed at least weekly, after each rain, and repaired as necessary.
 - Additional erosion and sediment control measures shall be installed if determined necessary by on-site inspection.
 - Silt fence shall be Types 3, as per the Manual for Erosion and Sediment Control in Georgia and be wire reinforced (see attached detail).

DEKALB COUNTY - NOTES

- ALL LAND DISTURBANCE TO BE STABILIZED WITH VEGETATION UPON COMPLETION OF DEMOLITION.
- ALL TREES TO REMAIN AND HAVE PROPERTY PROTECTION UNLESS APPROVED PLANS INDICATE OTHERWISE.
- ALL DEMOLITION DEBRIS TO BE HAULED OFF SITE.
- DUMPSTERS AND/OR TEMPORARY SANITARY FACILITIES SHALL NOT BE LOCATED IN THE STREET OR TREE PROTECTION AREA OR OTHER RIGHT OF WAY.
- ADDITIONAL EROSION CONTROLS SHALL BE INSTALLED AS DEEMED NECESSARY BY THE ON-SITE INSPECTOR(S).
- CALL FOR FINAL INSPECTION AT (404) 371-4913

The installation of erosion and sedimentation control measures and practices shall occur prior to or concurrent with land disturbing activities.

Erosion and sedimentation control measures will be maintained at all times. If full implementation of the approved plan does not provide for effective erosion and sediment control additional erosion and sediment control measures shall be implemented to control or treat the sediment source.

Additional erosion controls shall be installed as deemed necessary by the on-site inspector.

All lots/sites with 2' of fill or greater will require a compaction certificate by a professional registered engineer prior to a building permit and/or prior to footers being poured.

Locate and field stake all utilities, easements, pipes flood limits, stream buffers, and tree save areas prior to any land disturbing activities.

All tree protection areas to be protected from sedimentation.

All tree protection areas to be inspected daily and repaired or replaced as needed.

A final as-built water quality certificate required prior to issuance of Certificate of Occupancy.

Dumpsters and/or temporary sanitary facilities shall not be located in street or tree protection area or right-of-way.

Water quality BMP(s) to be installed at the time of final landscaping.

All collected water shall be directed to the water quality BMP(s).

No water quality BMP(s) allowed in undisturbed stream buffers or tree save/critical root zone.

Work hours and construction deliveries are:
 Monday-Friday 7:00am-7:00pm
 Saturday 8:00am-5:00pm

To whom it may concern,

I am writing this letter in support of the new garage being constructed by my neighbor Andre. As a neighbor who lives in the cul-de-sac and friend of 8 years, I am excited about the structure and hope to build one of my own in the very near future. Other neighbors have also asked about construction of their own.

As the vice president of the neighborhood association, I have spoken to many neighbors and visitors of the neighborhood who share the same sentiment as me. Our neighborhood is unique in that we have very small driveways and streets as well as homes with small garages. We have had many car break-ins and issues with street parking. Moving cars off the street is one of our main focuses in the community and we believe it will be safer if we can. Some of us have the opportunity and means to construct garages on our properties and would like to do so to help improve things in the Briers.

Andrea and Leslie have always been excellent neighbors who have supported and participated in every improvement project we have done throughout the neighborhood. They take very good care of their property and are a shining example of how many homes in the Briers should look. All neighbors I have spoken with have zero concern and are in support of not only this garage but looking into building their own.

Thank You,

Mycal Dillingham

Vice President the Briers Neighborhood

4407 Briers Place Stone Mountain Ga 30083

To Whom It May Concern,

My name is Catherine Bradford, and I owned the property at 4414 Briers Place. My neighbor, Andre Johnson, new garage is a beautiful addition to our community and his yard and will help decrease the amount of parking on our streets.

Street parking in our neighborhood is terrible and many times the sanitation department has not come to pick up our trash due to the amount of cars block their path. One year the fire department could not make it to one of the homes that was on fire and the home owner did not make it out.

Andre Johnson new garage addition is not a nuisance to our neighborhood it a new beginning to people parking in their yard and off the street.

Thank you,
Catherine Bradford

Q

Hello Zoning Board,

Please allow my neighbors, Lesley & Andre Johnson, to continue building their detached garage.

It is my belief the addition of this structure will be an added value to our neighborhood. To illustrate, our subdivision has limited parking options for homeowners. This detached garage would help reduce street parking and provide better access to homes. This is specifically a need for our neighborhood since in the past we had issues with emergency and government services being able to access homes due to cars parking on the street.

Additionally, excess vehicle parking in the neighborhood can lure criminals and car break-ins. The detached garage can help reduced the number of automobiles on the street & possibly crime.

Please accept this letter as support for the Johnsons' detached garage. If any questions, please feel free to contact me at (504) 858-5648.

Thank you

Domonique Harris
Briers Neighbor
1337 Briers Dr, Stone Mountain, GA 30083

November 20, 2024

To Whom It May Concern:

Please know that my neighbor Andre Johnson has built a more accessible garage on his property so that he can utilize putting his truck in a secure place. It is my opinion that this addition is not a problem or unsightly for this community.

You may contact me if you need further information.

Sandra Mobley
