

Subject: Clifton Church Water Main Replacement Project Update: Oct. 30, 2025

Dear Resident/Business Owner:

To date, 120 linear feet of pipe has been installed. Tomorrow, paving will take place on Clifton Church Road. Crews will alternate with installing pipe and paving moving forward.

Should you have any inquiries regarding the Clifton Church Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
