RE: SPECIAL LAND USE PERMIT APPLICATION AND
LETTER OF APPLICATION FOR 6252 MEMORIAL DRIVE,
LLC (6252 MEMORIAL DRIVE, STONE MOUNTAIN,
GEORGIA)

Dear Board of Commissioners, Planning Commission and Planning Staff:

6252 Memorial Drive, LLC (the "Applicant") submits this Letter of Application for the purpose of requesting a special land use permit to allow beer and wine sales accessory to a proposed convenience store with fuel. The site is an approximate 0.588 acre-tract (the "Property") located at 6252 Memorial Drive, Stone Mountain, Georgia. The tax parcel for the Property is 18 091 01 050. The Property is currently zoned C-1 (Local Commercial). The Applicant intends to redevelop the property and construct a convenience store with fuel pumps. The special land use permit will allow for a high-quality development and construction of a convenience store with fuel pumps.

The Property currently is developed and is unoccupied. The Property currently contains an existing 1,320 square foot commercial building and asphalt parking lot and drive aisles. The Property is a corner lot containing an existing access driveway to Memorial Drive and an existing access driveway to W. Mountain Dr.

The proposed use is the same as originally developed use. The proposed convenience store will redevelop the site and will consist of a single building totaling approximately 2,962 square feet. The proposal calls for a total of six gas pumps located under a single canopy. The surrounding properties are all zoned C-1. The property directly touching the proposed convenience store is mixed use shopping center and the shopping center's extensive parking lot surrounds the proposed convenience store. A two-lane access road (which sits at a traffic light) touches the Subject Property to the east while, on the opposite side of Memorial Drive, there are two automotive repair shops. As indicated, the Applicant is seeking to obtain a Special Land Use Permit to allow for beer and wine sales accessory to the proposed convenience store along with fuel pumps. A copy of the site plan is enclosed herein for your convenience.

The principals of Applicant have successfully operated as a convenience store in numerous locations throughout the State, providing a safe and valuable service to the citizens of the State of Georgia and they look forward to continuing that same level of service at this location. The proposed location is centrally located at the intersection of Memorial Drive and W. Mountain Dr., and is surrounded by commercial uses along Memorial Drive. The site has access to both Memorial Drive and W. Mountain Dr., and the requested special Land use permit will provide ample parking and circulation, in compliance with Dekalb County and GDOT transportation requirements. The property has access to a public water supply, public sanitary sewer, and convenient direct access to major thoroughfares and state and interstate highways.

The proposed development of the Property would allow for redevelopment of the property and an opportunity to bring it up to current standards based on the Code of Ordinances. The Applicant is committed to developing a high-quality convenience store to serve Dekalb County residents and visitors. Based on the feedback from the pre-application community meeting, residents of the area complained of the existing convenience stores in the area due to unkept properties, unsafe environments, loitering, prostitution, and

illegal activity. The redevelopment of the Property will help to improve the look of the corridor and provide the community with a newer, safer, and cleaner convenience store with fuel. Applicant will have security cameras which will be under surveillance 24 hours a day, 7 days a week.

The Applicant and its representatives welcome the opportunity to meet with staff of the Dekalb County Department of Planning & Sustainability to answer any questions or to address any concerns relating to the matters set forth in this Letter of Application or in the Special Land Use Permit Application filed herewith. The Applicant respectfully requests your approval of the Special Land Use Permit Application.

Respectfully,

6252 Memorial Drive, LLC

The proposed building location is to the rear of the site located outside the 60 ft. maximum building setback. Exceptions are required for the site plan layout of the proposed fuel canopy and building location.

- B. COMPATIBILITY OF THE PROPOSED USE WITH ADJACENT PROPERTIES AND LAND USES AND WITH OTHER PROPERTIES AND LAND USES IN THE DISTRICT, AND WHETHER THE PROPOSED USE WILL CREATE ADVERSE IMPACTS UPON ANY ADJOINING LAND USE BY REASON OF TRAFFIC VOLUME/CONGESTION, NOISE, SMOKE, ODOR, DUST, OR VIBRATION GENERATED BY THE PROPOSED USE.

The proposed fuel pumps and beer & wine accessory outlet is compatible with the uses along Memorial Drive in the area. The distance to the shopping center behind the site is approximately 322 feet, The Subject Property has +/- 124 lineal feet of frontage on Memorial Drive. Memorial Drive is a commercial corridor with a variety of uses. The Subject Property is zoned C-1 within the commercial redevelopment corridor. The subject site is currently developed with an abandoned 1,320 square foot building, fuel canopy and associated asphalt parking lot and drive aisles. All parcels surrounding the Subject Property are zoned C-1. The adjacent parcels are part of an older shopping center. Two churches and "Jams Athletics" are noted as infill development within the adjacent shopping center. The proposed use is the same as originally developed use and thus will not be changing any impacts on any adjoining land use through noise, smoke, odor, dust, or vibration generated by the proposed use.

- C. ADEQUACY OF PUBLIC SERVICES, PUBLIC (OR PRIVATE) FACILITIES, AND UTILITIES TO SERVE THE PROPOSED USE;

There is adequate public services, public facilities and utilities to serve the proposed use. The Subject Property has existing access to public water and sewer.

- D. ADEQUACY OF THE PUBLIC STREET ON WHICH THE USE IS PROPOSED TO BE LOCATED AND WHETHER OR NOT THERE IS SUFFICIENT TRAFFIC-CARRYING CAPACITY FOR THE USE PROPOSED SO AS NOT TO UNDULY INCREASE TRAFFIC AND CREATE CONGESTION IN THE AREA.

The Subject Property will have a primary access point at an existing traffic signal on Memorial Drive. Existing access points on Memorial Drive and secondary access points to the shopping center to remain.

- E. ADEQUACY OF INGRESS AND EGRESS TO THE SUBJECT PROPERTY AND TO ALL PROPOSED BUILDINGS, STRUCTURES, AND USES THEREON, WITH PARTICULAR REFERENCE TO PEDESTRIAN AND AUTOMOTIVE SAFETY AND CONVENIENCE, TRAFFIC FLOW AND CONTROL, AND ACCESS IN THE EVENT OF FIRE OR OTHER EMERGENCY.

The proposed redevelopment will have adequate ingress and egress to the Subject Property and to the proposed building and fueling stations. The proposed site will provide pedestrian access from the public sidewalks to the building entrance and will take into consideration pedestrian safety. The fuel trucks will access the site from the signal at Memorial Drive and thru the existing access points of the shopping center.

- F. WHETHER THE PROPOSED USE WILL CREATE ADVERSE IMPACTS UPON ANY ADJOINING LAND USE BY REASON OF THE MANNER AND HOURS OF OPERATION OF THE PROPOSED USE.

The proposed use will have similar hours of operation as the convenience store across the street of Memorial Drive. Therefore, the hours of operation will not create adverse impacts upon any adjoining use. All lighting will be downward facing. There will be security cameras that see every spot of the Subject Property, which are recorded 24 hours a day, 7 days a week. This will assist with cracking down on loitering, and other criminal activity in the immediate area.

- G. WHETHER THE PROPOSED USE IS OTHERWISE CONSISTENT WITH THE REQUIREMENTS OF THE ZONING DISTRICT CLASSIFICATION IN WHICH THE USE IS PROPOSED TO BE LOCATED.

The proposed use is consistent with all Dekalb County zoning requirements of the zoning classification.

- H. WHETHER THE PROPOSED USE IS CONSISTENT WITH, ADVANCES, CONFLICTS, OR DETRACTS FROM THE POLICIES OF THE COMPREHENSIVE PLAN.

- I. WHETHER THERE IS ADEQUATE PROVISION OF REFUSE AND SERVICE AREAS.

The refuse area will remain in its current location as shown on the submitted site plan and enclosed on all four sides. Service area for the fuel delivery trucks will provide adequate space for the fuel trucks to unload with additional space for vehicle circulation.

- J. WHETHER THE LENGTH OF TIME FOR WHICH THE SPECIAL LAND USE PERMIT IS GRANTED SHOULD BE LIMITED IN DURATION.

There should not be a time limit on the duration of this special land use permit, if granted. The proposed use is suitable for the current location.

- K. WHETHER THE SIZE, SCALE AND MASSING OF PROPOSED BUILDINGS ARE APPROPRIATE IN RELATION TO THE SIZE OF THE SUBJECT PROPERTY AND IN RELATION TO THE SIZE, SCALE AND MASSING OF ADJACENT AND NEARBY LOTS AND BUILDINGS; AND WHETHER THE PROPOSED USE WILL CREATE ANY SHADOW IMPACT ON ANY ADJOINING LOT OR BUILDING AS A RESULT OF THE PROPOSED BUILDING HEIGHT.

The size, scale and massing of the proposed development is appropriate in relation to the size of the Subject Property and in relation to the size, scale and massing of adjacent and nearby lots. The proposed use will not create a negative shadow impact on any adjoining lot or building as a result of the proposed building height.

- L. WHETHER THE PROPOSED USE WILL ADVERSELY AFFECT HISTORIC BUILDINGS, SITES, DISTRICTS, OR ARCHAEOLOGICAL RESOURCES.

To the best of the Applicant's knowledge, the proposed use will not adversely affect historic buildings, sites, districts, or archaeological resources. The adjacent cemetery will not be impacted.

- M. WHETHER THE PROPOSED USE SATISFIES THE REQUIREMENTS CONTAINED WITHIN THE SUPPLEMENTAL REGULATIONS FOR SUCH SPECIAL LAND USE PERMIT.

The proposed use satisfies the requirements contained within the supplemental regulations for the Applicant's special land use permit.

- N. WHETHER THE PROPOSED USE WOULD BE CONSISTENT WITH THE NEEDS OF THE NEIGHBORHOOD OR THE COMMUNITY AS A WHOLE, AS EXPRESSED AND EVIDENCED DURING THE REVIEW PROCESS.

The proposed use is consistent with the needs of the neighborhood and community as a whole and is compatible with the neighborhood. Based on the Memorial Drive Revitalization Plan Online Survey (Social Pinpoint), many of the people polled had negative things to say about the existing convenience stores along the corridor due to unkept properties, unsafe environments, loitering, prostitution, and illegal activity. The redevelopment of the Subject Property will help to improve the look of the corridor and provide the community with a newer, safer, and cleaner convenience store with both fuel pumps and beer and wine accessory uses. Mapco provides security cameras as noted previously and has a plan in place for all stores to keep the sites clean and orderly.
