Subject: Cliff Valley Way Road Closure to Begin June 29

Dear Resident/Business Owner,

As part of DeKalb County's \$4.27 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community.

This letter serves as formal notification that **Cliff Valley Way** will be closed to through traffic for approximately six weeks, starting **Monday, June 29, 2026**, barring any weather delays. During this closure, there will be detour signs in place to direct traffic.

Normal construction hours will be from 9 a.m. to 4 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

Ruby-Collins, working on behalf of DeKalb County, is the authorized contractor for the **Cliff Valley Sewer Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Cliff Valley Sewer Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
