On December 11, 2002, as prescribed by law, the Planning Commission began holding public hearings on Sketch Plats. The purpose of these hearings is to review, approve, deny or ask for a one-time revision of sketch plats or revised preliminary plats which have completed the review process within the various DeKalb County departments as prescribed by code section 14-94.

During the Sketch Plat hearing, the Staff will introduce each agenda item by name and purpose. A total of ten minutes will be allocated for presentation to the Planning Commission. Five minutes will be given to the proponent of the sketch plat and five minutes will be given to the opposing side. At the end of the five-minute time, you will be notified that the time has expired, and the speaker will be expected to immediately cease speaking.

Citizens attending the meeting via the Zoom link will be able to join the public comment queue by **raising their hand in the Zoom application**, while **citizens who attend the meeting via telephone may join the comment queue by pressing # and the number 2**. You are required to raise your hand and be acknowledged by the Chair, in order to speak. When called upon, citizens are asked to please state their name and address for the record. The public is also asked to be conscious of speaking time so that everyone may have an opportunity to provide input in the allotted time.

Public comments will then close and Planning Commission members will commence discussing the merits of the application with respect to the evaluation criteria, staff analysis and public testimony presented at this hearing. The Planning Commissioners may ask questions of the Staff, applicant or public for clarification of an issue.

Staff recommendations will then be given to the Planning Commission. Questions and discussions pertinent to each plat will occur among the Planning Commission members. Questions may be asked of the Staff, the applicant, or any other person who has an interest in the agenda item.

Upon completion of questions and discussions, a vote will be recorded as to approval, disapproval, or revision of sketch plats and revised preliminary plats.

The Planning Commission does have the final authority to approve, disapprove, or ask for a one-time revision of sketch plats.

AGENDA

NEW CASE(S):

N1. Creekside Village Phase 2 P-Plat #1247962 Commission District 5 Super District 7
16 195 01 004
7480 Rock Chapel Road, Lithonia, GA 30058

Application request by Hybrass Properties, LLC c/o Battle Law, P.C. for a major subdivision of approximately 75 acres to construct a mixed-use development including 219 single-family attached dwellings. This application is related to P-Plat #1244787, which was approved by the Planning Commission on November 15, 2023, with the authorization to subdivide approximately 77.08 acres to construct a mixed-use development including 234 single-family attached dwellings; twelve (12) dwellings have since been platted on the property formerly designated as 1726 Rock Chapel Road (Tax ID # 16-195-01-007). The subject property is zoned MU-4 (Mixed-Use High Density) and MU-1 (Mixed-Use Low Density) and has its primary frontage on Rock Chapel Road.

Staff Recommendation: *Approval.* The proposal is consistent with the goals of the *DeKalb County 2050 Unified Plan* and is in compliance with all developmental standards of the *Zoning Ordinance*. All other regulatory reviews have been completed and approved (or conditionally approved). Therefore, the Planning and Sustainability Department recommends "Approval" of the submitted Sketch Plat application.

15 006 02 006; 15 006 01 026; 15 006 01 027; 15 006 02 007; 15 006 02 008

4444 Davana Drive, Ellenwood, GA 30294

Application of Sharon Levister for a Street Name Change (SN) on behalf of the County Line Community to request a Street Name Change (SN) to change the street designated as “Davana Drive” to “James Moore Drive”. The property is located within the R-75 (Residential Medium Lot-75) zoning district.

Staff Recommendation: *Approval.* The property owner of 4444 Davana Drive, Barbara Moore (wife of the late Mr. James Moore in Ellenwood), is assisted by Sharon Levister in the requested street name change of the Right-of-Way (ROW) designated as Davana Drive to James Moore Drive. The street begins at its intersection with Linecrest Road and continues south past its intersection with Oscar Road, where it terminates with no further access. The ROW is classified as a local street.

The renaming would honor Ms. Moore’s late husband, who was instrumental in the community with a record of many successful initiatives, including a fire station, Ellenwood library, Marta bus stops, and the improvement/paving of Davana Drive from what was once a dirt road.

The property owner and community have submitted the proper documentation via petitions meeting the required 51% in support. Seven (7) of ten (10) property owners (70%) signed the petition in support of the street renaming. Adverse impacts are expected to be minimal aside from an administrative burden, as property owners must update addresses on business and personal items.
