

Subject: Clifton Church Water Main Replacement Project Update: April 2, 2026

Dear Resident/Business Owner:

Crews are currently working on Gresham Road installing 12-inch pipe; they are approaching Richard Allen Way. In observance of the Easter holiday, crews will stop working on Friday, April 3 at noon.

Should you have any inquiries regarding the Clifton Church Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.

Thank you,

Angelita Streeter
