Department of Watershed Management Clifton Church Water Main Replacement Project Construction Notice

The DeKalb County Department of Watershed Management's Office of Engineering & Construction Management Services (ECMS) has initiated a project to make improvements to a water distribution system in your community.

Please be advised to expect workers in the area as the county and its contractors will replace the water line servicing your community. Work hours for the project will be from 7 a.m.— 7 p.m., Monday through Friday, excluding major holidays.

Work in your area is scheduled for: **June 1-5, 2026, 8 a.m. to 5 p.m. This will be a temporary five-minute water shut-off per home.**

Our construction crews will work diligently to minimize the length of impact to residents. Also, please note all staff working on behalf of DeKalb County will have proper identification and will drive marked contractor vehicles.

All inquiries about this project should be directed to projectinfo@dekalbcountyga.gov or 1-800-986-1108. We appreciate your patience as we work diligently to make improvements to DeKalb County's water distribution system.
