Dear Resident/Business Owner:

On Monday, April 20 and Tuesday, April 21, crews will connect services to the new water main as part of the Glendale Phase III Water Main Replacement Project. This means there will be a temporary water outage for *some* residences between 8 a.m. and 5 p.m. on **one** of those days. **Door hangers have already been delivered to residences that will be affected.**

Should you have any inquiries regarding the Glendale Phase III Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
