

Grant Drive Water Main Replacement Project: April 28, 2026

Greetings,

On behalf of the Grant Drive Water Main Replacement Project, construction crews have installed approximately 2,703 linear feet of 8-inch ductile iron pipe.

No work was performed April 13-18, 2026. Pressure testing is scheduled for April 28, 2026. Crews will continue working diligently to minimize impacts to residents and complete the project as efficiently as possible.

For general inquiries regarding the Grant Drive Water Main Replacement Project, please call the Department of Watershed Management Project Information Line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call 770-270-6243 or email dekalbwaterops@dekalbcountyga.gov.

Thank you for your continued support.
