

Grant Drive Water Main Replacement Project Update March 11, 2026

Greetings,

Construction crews for the Grant Drive Water Main Replacement Project have installed approximately 320 linear feet of new pipeline.

Work will continue as scheduled, with crews focused on minimizing impacts to residents and the surrounding community.

For general inquiries about the project, please contact the DeKalb County Department of Watershed Management (DWM) Project Information Line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

For 24-hour emergencies, call 770-270-6243 or email dekalbwaterops@dekalbcountyga.gov.

Thank you for your continued support.
