

Grant Drive Water Main Replacement Project Status Update:

May 1, 2026

Greetings,

This letter serves as formal notification that RGI is on-site and has begun pipe installation along **Grant Drive near Dresden Drive**. Construction activities are underway and are expected to continue through **May 4-8**, weather permitting.

To help maintain access for residents and motorists, steel plates will be placed as needed to allow entry and exit during active work operations.

Motorists and residents are encouraged to use caution when traveling through the area and to follow all posted traffic control signs and directions from construction crews.

Normal construction hours will be from 7 a.m. to 7 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

The Renee Group, working on behalf of DeKalb County, is the authorized contractor for the **Grant Drive Water Main Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Grant Drive Water Main Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
