

Subject: Peachtree Boulevard Water Transmission Main Replacement Project Update: June 8, 2026

Dear Community,

As construction continues on the Peachtree Boulevard Water Transmission Main Replacement Project, DeKalb County would like to remind the public that businesses located along Peachtree Boulevard and Malone Drive remain open and ready to serve customers.

We recognize that construction activities can create temporary inconveniences, and we appreciate the patience and understanding of our residents, businesses and visitors as this important infrastructure improvement project moves forward. While work is underway, every effort is being made to maintain access to businesses throughout the project area.

We encourage the community to continue supporting the local restaurants, retailers and service providers located along Peachtree Boulevard and Malone Drive. Your continued patronage is vital to these businesses as they navigate the challenges associated with nearby construction.

Customers can still access businesses throughout the project area, and parking remains available. Please follow posted signage and traffic control devices when traveling in the area.

Should you have any inquiries regarding the Peachtree Boulevard Water Transmission Main Replacement Project Phase II, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.

Thank you for your continued patience and support.

Thank you,

Angelita Streeter
