

Subject: Peachtree Boulevard Water Transmission Main Replacement Project Update: June 30, 2026

Dear Residents and Business Owners,

Please be advised that the contractor, Ruby-Collins, has been given permission by the County to work until 7:30 p.m. this evening. There was a delay beyond their control, and this ensures the contractor will be able to install pipe beyond the utility poles near the Grove. We apologize if this causes any inconvenience.

Should you have any inquiries regarding the Peachtree Boulevard Water Transmission Main Replacement Project Phase II, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.

Thank you,

Angelita Streeter
