Dear Resident/Business Owner,

As part of the Peachtree Boulevard Water Transmission Main Replacement Project Phase II, crews will work this Saturday 4/25/26, weather permitting. This will allow us to make up some recent lost time. The work will be contained to the northbound shoulder of Peachtree Blvd. We intend to install the Malone Drive road closure this Friday, 4/24/26 and reopen Pierce Drive by the end of the day on Friday.
