

Subject: Peachtree Boulevard Water Transmission Main Replacement Project Update: July 28, 2026

Dear Residents and Business Owners:

On **Friday, July 31**, the intersection of Peachtree Boulevard and Chamblee Dunwoody Road will be affected by intermittent lane closures between 9 a.m. and 4 p.m., barring any weather delays. This work is being done as part of the **Peachtree Boulevard Water Transmission Main Replacement Project**.

Northbound travelers on Peachtree Boulevard will need to detour to American Way instead of turning right on Chamblee Dunwoody Road because the right turn lane will be closed. Westbound travelers on Chamblee Dunwoody Road will be directed around the lane closure and through the intersection to Peachtree Boulevard.

Motorists should expect delays stemming from the road closure. Precautionary signs, traffic flaggers and law enforcement will assist in moving safely around the closed off portion of the road. Construction crews will work diligently to minimize the length of impact to motorists.

Should you have any inquiries regarding the Peachtree Boulevard Water Transmission Main Replacement Project Phase II, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
