

Subject: Peachtree Boulevard Water Transmission Main Replacement Project Update: Aug. 12, 2026

Dear Residents/Business Owners:

We will be milling and paving **Malone Drive** again next week, **Aug. 17-20**. The surface of the paving completed by the initial subcontractor was subpar, and we apologize. Traffic flow will be maintained, and only one lane at a time will be blocked for this work. There will be flaggers onsite at all times to assist with any and all ingress/egress of parking lots. The operation will progress from the Peachtree Road end of Malone and move toward Peachtree Blvd. Work will take place between the hours of 7 a.m. – 7 p.m.

We will need to block off **ALL** of the parallel parking spaces along Malone Drive Monday - Thursday. Below is a general schedule of what we expect as long as weather cooperates.

Monday - Milling

Tuesday - Milling & possibly paving

Wednesday - Paving

Thursday - Paving
