

Subject: Panola Road Water Main Replacement Project Update: April 30, 2026

Dear Resident/Business Owner:

On Friday, **May 1**, crews will be *connecting meters* at some residences in your area. The meter connections will take up to one hour.

On Monday, **May 4** and Tuesday, **May 5**, crews will be *tying in services* to the new line. This work will take several hours sometime between 8 a.m. and 5 p.m. The affected households will only have services interrupted on *one* of the days.

Door hangers have already been distributed to residences being affected by both planned outages.

Should you have any inquiries regarding the Panola Road Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.

Thank you,
