

Subject: Panola Road Water Main Replacement Project Update: May 11, 2026

Dear Resident/Business Owner:

Crews are currently working on an emergency water repair in the Panola II area due to a waterline being hit. The repair is anticipated to be fixed by the end of the business day. We apologize for any inconvenience.

Should you have any inquiries regarding the Panola Road Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
