

Subject: Panola Road Water Main Replacement Project Update: Aug. 26

Dear Resident/Business Owner:

On **Tuesday, Sept. 1**, crews will be connecting meters to residences in your area. The meter connections will take approximately 5-10 minutes per home. Affected addresses will receive a door hanger about the water connection.

Should you have any inquiries regarding the Panola Road Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
