Subject: Sowell Estates Sewer Improvement Project End of Construction Notice

Dear Resident/Business Owner,

The DeKalb County Department of Watershed Management (DWM) is pleased to announce the completion of the Sowell Estates Sewer Improvement Project.

As a part of the project, designated contractor RGI installed more than 4,500 feet of existing 14 and 18-inch sewer lines and upgraded them to 24-inch lines.

Please contact the DWM Project Information Line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov if you have additional questions about the project.

We appreciate the patience and cooperation you exhibited during the completion of these improvements to DeKalb County's water system.
