Subject: Night Work & Detour to Take Place on Columbia Drive Sept. 20-Oct. 1

Greetings,

As part of DeKalb County's \$4.27 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the watershed systems serving your community. The **Glendale Phase III Water Main Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that construction crews associated with this project will conduct night work on **Columbia Drive** between **Memorial Drive** and **Glenwood Road**. Columbia Drive will be open to local traffic only. The work will take place **7 p.m. to 7 a.m. daily Sunday, Sept. 20 through Thursday, Oct. 1**.

Motorists traveling north on Columbia Drive should take Peachcrest Road to Midway Road to access Memorial Drive. Motorists traveling east on Memorial Drive should turn right on Midway Road and use Peachcrest Road to access Columbia Drive and Glenwood Road. An increase in construction-related noise and traffic during work hours should be expected.

Ruby-Collins, working on behalf of DeKalb County, is the authorized contractor for the **Glendale Phase III Water Main Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Glendale Phase III Water Main Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
