

Subject: College Avenue Water Main Replacement Project Update: November 7, 2025

Greetings,

The contractors will need to temporarily interrupt your water service to properly replace the water line servicing your community. As crews ***connect the new water main, residents may experience periods of low, to no water pressure during the work hours of 7 p.m. to 7 a.m. These planned outages are expected to last approximately one (1) to four (4) hours.*** Our construction crews will work diligently to minimize the length of impact to residents.

Please see the following schedule and streets:

11/9: Willis Avondale States Apartments
