

Subject: Dunwoody Knoll Water Main Replacement Project Update: April 23, 2026

Dear Resident,

Please be advised that the contractor will be flushing new pipes to ensure clean, safe water. During flushing, fire hydrants will be opened, causing water to spray into the air like small geysers and flow down the street temporarily. This is a normal part of the process to clear the pipes and improve water quality.

Work in the Fairfield Community and Roberts Drive is scheduled to start April 27, 2026 through May 22, 2026, barring any weather delays. Flushing is expected to last 6-8 hours.

Should you have any inquiries regarding the Dunwoody Knoll Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770-270-6243.

Thanks for your support.
