

Subject: Glendale Phase III Water Main Replacement Project Update: 9.28.26

Dear Resident/Business Owner:

On **Wednesday, Sept. 30** through **Thursday, Oct. 1**, several road closures will occur along Columbia Drive between Leeland Road and Canary Court as part of the Glendale Phase III Water Main Replacement Project. The intersections will be closed on the following days:

- **Leeland Road and Columbia Drive** – Wednesday, Sept. 30
- **Robin Road and Columbia Drive** – Wednesday, Sept. 30
- **Bluebird Lane and Columbia Drive** – Thursday, Oct. 1
- **Canary Court and Columbia Drive** – Thursday, Oct. 1

Local traffic will use the east end of the open streets to exit the area.

Normal construction hours will be from 7 a.m. to 7 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

Motorists should expect delays stemming from the road closure. Precautionary signs, traffic flaggers and law enforcement will assist in moving traffic safely around the road closure. Our construction crews will work diligently to minimize the length of impact to motorists.
