

Misty Valley Water Main Replacement Project: September 22, 2026

Greetings,

On behalf of the Misty Valley Water Main Replacement Project, our construction crews have replaced nearly 30,000 linear feet of aging pipelines. Crews will continue to work diligently to minimize the length of impact to residents.

Should you have any general inquiries regarding the Misty Valley Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243 or email dekalbwaterops@dekalbcountyga.gov. Thanks for your support.
