

Exciting Update! NH Scott Pool Is Slated to Open Spring 2026

DeKalb County, GA (March 2026) NH Scott Pool, located at 2230 Tilson Road in Decatur, is generating growing excitement within the community as it is nearing completion, with an anticipated opening this spring. This \$6 million project is funded through a combination of sources, including \$3 million from the DeKalb County Special Purpose Local Option Sales Tax (SPLOST), \$1.5 million from the DeKalb County Capital Improvement Program (CIP), and \$1.5 million from the American Rescue Plan Act (ARPA).

The new pool features a fully modernized eight-lane pool and a beach-style, zero-depth entry area. Additional improvements include four newly constructed support buildings: a pump house, bathhouse, administrative building, and storage facility. Site enhancements include a paved parking area, providing safer and more convenient access to the facility.

Directly across from the pool are upgraded basketball and tennis courts. These improvements were made possible through DeKalb SPLOST funding, with additional support from the Atlanta Hawks for the basketball court. These enhancements position NH Scott Park as a vibrant destination for fitness, recreation, and community connection.
