

Subject: San Gabriel Water Main Replacement Project Update: February 20, 2026

Greetings,

On behalf of the San Gabriel Water Main Replacement Project, our construction crews are working diligently to improve the watershed system in your community. Starting the week of Feb.23, the construction crews will be flushing new pipes to ensure clean, safe water. During flushing, fire hydrants will be opened, causing water to spray into the air like small geysers and flow down the street temporarily. This is a normal part of the process to clear the pipes and improve water quality.

Please see the following streets:

Santa Monica Dr.

San Juan Dr.

Belva Ave.

Guy Way

Glenwood Rd.

San Jose Dr.

San Gabriel Ave.

Belvedere Ln.

Capistrana Pl.

Santa Cruz Dr.

Columbia Dr.

Del Monico Dr
