

Subject: San Gabriel Water Main Replacement Project Update: May 27, 2026

Greetings,

On behalf of the San Gabriel Water Main Replacement Project, our construction crews are working diligently to improve the watershed system in your community. The contractors will need to temporarily interrupt your water service to properly replace the water line servicing your community. Please be advised that water meter connections will continue through **June 26** (barring any weather delays and excluding major holidays) for the following:

- **Santa Monica Drive between San Gabriel Avenue and Guy Way– (May 29 – June 12)**
- **Belvedere Lane between San Gabriel Avenue and Columbia Drive – (June 1 – June 9)**
- **Santa Cruz Drive between Glenwood Road and San Jose Drive – June 8 – June 26)**

As crews connect the new water main, residents may experience periods of low, to no water pressure during the work hours from 9:00 a.m. to 4:00 p.m. These planned outages are expected to last approximately one (1) to four (4) hours. Our construction crews will work diligently to minimize the length of impact to residents and businesses.

Should you have any general inquiries regarding, the San Gabriel Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243 or email dekalbwaterops@dekalbcountyga.gov.

Thanks for your support.
