

Subject: San Gabriel Water Main Replacement Project Update: September 3, 2026

Greetings,

On behalf of the San Gabriel Water Main Replacement Project, our construction crews are working diligently to improve the watershed system in your community. The contractors will need to temporarily interrupt your water service to properly replace the water line servicing your community. Please be advised that water meter connections will continue through **Oct. 2** (barring any weather delays and excluding major holidays) for the following:

- **Belvedere Lane/Rupert Road to Laguna Drive and San Gabriel Avenue (Sept. 8 – 25)**
- **San Juan Drive to San Gabriel Avenue and Santa Monica Drive (Sept. 14 – Oct. 2)**

As crews connect the new water main, residents may experience periods of low, to no water pressure during the work hours from 9:00 a.m. to 4:00 p.m. These planned outages are expected to last approximately one (1) to four (4) hours. Our construction crews will work diligently to minimize the length of impact to residents and businesses.
