West College Avenue Water Main Replacement Project Restarts Sept. 8

Construction to install new water main pipes

DECATUR, Ga. – Efforts to improve the watershed system throughout DeKalb County continue **Tuesday, Sept. 8**, with the restart of the West College Avenue Water Main Replacement Project. Prior to the World Cup Moratorium, crews replaced approximately 5,500 linear feet of ductile iron water pipe between South Candler Street and East College Avenue. Crews will replace approximately 1,240 linear feet of ductile iron water pipe between Lakeshore Drive and Emeril Drive. ***This water improvement project is expected to last approximately four months (September 2026 to December 2026), barring any weather delays.***

Construction hours will be from 7 p.m. to 7 a.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

Information also can be obtained by calling the DWM Project Information Line at 1-800-986-1108 or emailing projectinfo@dekalbcountyga.gov with questions.
