

Drop Box Service - Residential Service Requests, Applications and Payments

Dear Residential Customer:

For your convenience, we now accept the following service requests, applications and payments through a secure drop box at our administration building:

Residential Service Requests and Applications

Roll-off container rental requests (must include hold harmless agreement, resident's name, address, roll-off container size, and check or money order)

Collection service for disabled residents (must include application and supporting documents)

Payments (must be in Sealed Envelopes)

Only checks or money orders accepted (no cash payments please)

Roll-off container payments (must include hold harmless agreement, resident's name, address, roll-off container size, and check or money order)

Special collection fees (must include resident's name and address)

When submitting applications and payments, please attach all required documents. As a courtesy, customers will be notified once service requests, applications and payments have been received.
