EXECUTIVE ORDER 2026-9

BY THE CHIEF EXECUTIVE OFFICER:

STATE OF EMERGENCY FOR INCLEMENT WEATHER

WHEREAS: DeKalb County, Georgia (the “County”) is facing predictions of incoming inclement weather in the form of Hurricane Isaias and/or dangerously severe residual winds, rain, and flooding from it that could impact the County from Friday, October 9, 2026 through Sunday, October 11, 2026, or longer as the impact may result in loss of power and obstructions to the roadways that continue through the week; and

WHEREAS: The predicted inclement weather conditions may affect the lives and property of the citizens of the County; and

WHEREAS: O.C.G.A. § 38-3-51 vests the Governor with the authority to bring emergency situations under control by issuing orders, rules, and regulations to protect the safety and welfare of the public; and

WHEREAS: The Governor has declared a state of emergency for inclement weather, including corresponding emergency orders, rules, and regulations; and

WHEREAS: O.C.G.A. § 38-3-28 authorizes the County, a political subdivision of the State, to supplement the Governor’s emergency orders, rules, and regulations; and

WHEREAS: The Code of DeKalb County, as Revised 1988, Section 11-4 vests the Chief Executive Officer with the power to declare a state of emergency and to take such emergency actions as may be necessary to promote and secure the safety, protection, and well-being of the inhabitants of the County; and

WHEREAS: In consultation with County public safety and emergency preparedness officials, I have determined that the following actions are necessary and appropriate to protect the health, safety, and welfare of DeKalb County’s residents and visitors.

NOW, THEREFORE, PURSUANT TO O.C.G.A. § 38-3-28 AND THE CODE OF DEKALB COUNTY, AS REVISED 1988, SECTION 11-4, AND THE AUTHORITY VESTED IN ME AS CHIEF EXECUTIVE OFFICER OF DEKALB COUNTY, GEORGIA, IT IS HEREBY

ORDERED: That a State of Emergency exists in DeKalb County, Georgia, due to the severe winter weather event affecting the County as early as Friday, October 9, 2026.

IT IS FURTHER

ORDERED: That all necessary resources of the County be made available to assist in the preparation, response, and recovery activities throughout the County, including clearing roads, with a priority of roads with critical facilities such as hospitals, fire and police stations, and other critical public safety and emergency facilities.

IT IS FURTHER

ORDERED: That the public be reminded of the hazardous road conditions, to shelter in place, and to stay off the road to avoid making roads impassable by blocking the road with stalled and/or abandoned vehicles in flooded roadways and thereby jeopardize public safety's ability to respond quickly.

IT IS FURTHER ORDERED: That the public be reminded to call 911 for true emergencies only to avoid unnecessary use of critical emergency and public safety resources for non-emergency calls and requests.

IT IS FURTHER

ORDERED: That if one or more of the provisions contained in this Order shall be held to be invalid, in violation of state law and/or the Code of DeKalb County, as Revised 1988, or unenforceable in any respect, such invalidity, violation, or unenforceability shall not affect any other provisions of this Order, but, in such case, this Order shall be construed as if such invalid, illegal, or unenforceable provision had never been contained within the Order.

IT IS FURTHER

ORDERED: That this Order is intended to supplement the October 8, 2026, Governor's Executive Order declaring a state of emergency for the impact of Hurricane Isaias.

IT IS FURTHER

ORDERED: That this Order shall be effective upon signature and shall be valid for a period of seven days, expiring Friday, October 16, 2026, at 11:59 P.M., unless this State of Emergency is extended by the Chief Executive Officer.

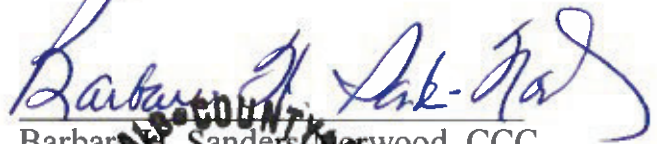

NOW, THEREFORE, BE IT RESOLVED by the Chief Executive Officer that DeKalb County, Georgia is under a state of emergency and the appropriate resources shall be allocated and the public shall be notified as stated herein.

This 9th day of October 2026.
