NOTIFICATION

DeKalb County GEORGIA

WATER Matters

Department of Watershed Management

Glendale Phase III Water Replacement Project

The DeKalb County Department of Watershed Management's Office of Engineering & Construction Management Services (ECMS) has initiated a project to make improvements to a water distribution system in your community.

Please be advised to expect workers in the area as the county and its contractors may need to temporarily interrupt your water service to properly connect the water line servicing your community. Work hours for the project will be from 7 a.m. – 7 p.m., Monday through Friday, excluding major holidays. Water service will be off temporarily during the water line connection.

Work in your area is scheduled for: **Monday, Nov. 2** between **8:00 a.m. and 5 p.m.**

Our construction crews will work diligently to minimize the length of impact to residents. Also, please note all staff working on behalf of DeKalb County will have proper identification and will drive marked contractor vehicles All inquiries about this project should be directed to ***projectinfo@dekalbcountyga.gov*** or 1-800-986-1108.
