DeKalb Crews Investigating Reports of Water Pressure Concerns in the Norris Lake Area

Decatur, Ga. - DeKalb County Department of Watershed Management crews are currently investigating complaints of low water pressure throughout the Norris Lake community in Lithonia. The department is currently investigating possible main breaks in the area but have not yet confirmed any in the system.

Customers experiencing low water pressure should contact the DeKalb County Watershed Department at dekalbwaterops@dekalbcountyga.gov or 770-270-6243.
