FOR IMMEDIATE RELEASE
November 16, 2026

Santa Moncia Drive Closed at Columbia Drive
Nov. 18 through Dec. 2
Crews to continue pipe installation

ATLANTA, Ga.— On Wednesday, Nov. 18, the intersection of Columbia Drive and Santa Monica Drive will be closed as part of the Glendale Phase III Water Main Replacement Project. This closure will remain in effect through Wednesday, Dec. 2.

During the closure, motorists will not be able to turn onto Santa Monica from Columbia Drive. Motorists needing to exit the Santa Monica Drive area will use San Juan Drive or Guy Way. To enter the area, local traffic will use Belva Avenue and Parkhill Drive.

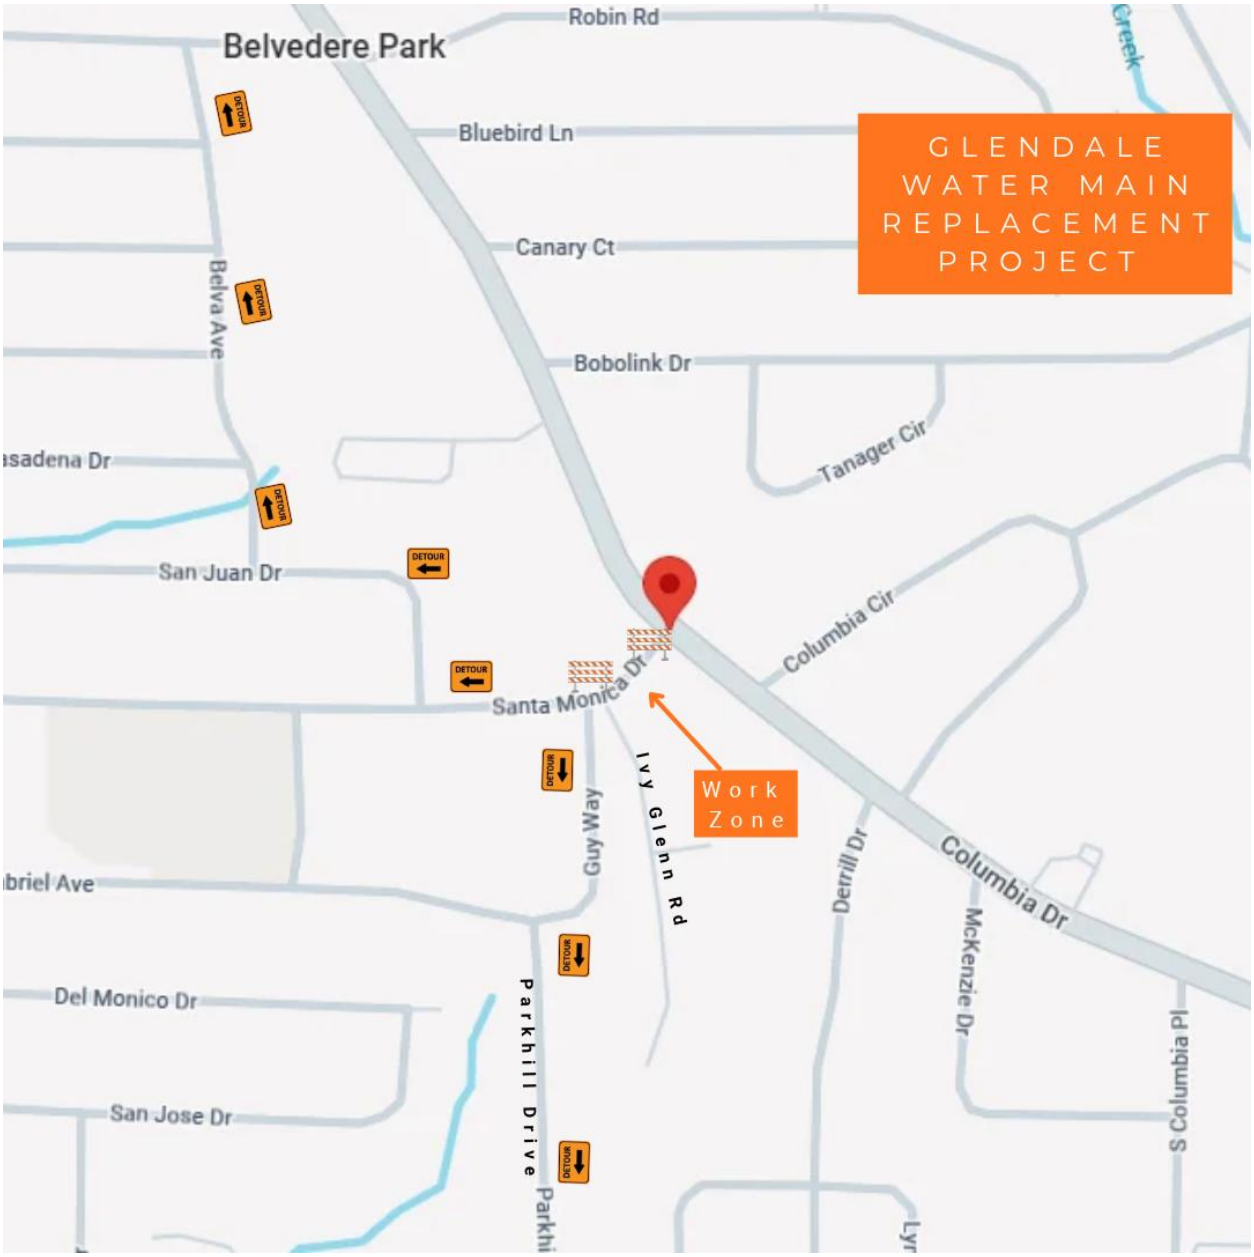

Motorists should expect delays stemming from the road closure. Precautionary signs, traffic flaggers and law enforcement will assist in moving traffic safely around the road closure. Our construction crews will work diligently to minimize the length of impact to motorists.

Normal construction hours will be from 7 a.m. to 7 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

Information also can be obtained by calling the DWM Project Information Line at 1-800-986-1108 or emailing projectinfo@dekalbcountyga.gov with questions.
