Subject: Pierce Drive and Peachtree Boulevard Intersection Closure

Greetings,

As part of DeKalb County's $4.27 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Peachtree Boulevard Water Transmission Main Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that on **Monday, Nov. 23** and **Tuesday, Nov. 24**, the intersection of Peachtree Boulevard and Pierce Drive will be closed on the west side of Peachtree Boulevard, barring any weather delays. From Peachtree Boulevard, motorists will need to detour to Chamblee Dunwoody Road to access Pierce Drive.

Normal construction hours will be from 9 a.m. to 4 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected. Precautionary signs and traffic flaggers will assist in moving safely around the closed off portion of the road.

Ruby-Collins, working on behalf of DeKalb County, is the authorized contractor for the **Peachtree Boulevard Water Transmission Main Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Peachtree Boulevard Water Transmission Main Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
