Shoal Creek Trunk Sewer Replacement Project Section I: Oct. 22, 2026

Greetings,

On behalf of the Shoal Creek Trunk Sewer Replacement Project Section I, our construction crews are conducting minor activities to prepare the site for pipe installation. Pipe installation is scheduled to begin in January 2027.

Should you have any general inquiries regarding the Shoal Creek Trunk Sewer Replacement Project Section I, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.
