FROM: Department of Purchasing and Contracting, DeKalb County, Georgia

ADDENDUM NO. 4

Invitation to Bid (ITB) 24-101649, Consent Decree Find and Fix Assessment and Rehabilitation (CD:FFAR) [Multiyear Contract] is hereby amended as follows:

- A. It is **MANDATORY** that the bidder acknowledges Addendum No. 4.
- B. **Modification to the Bid.**
1. Deadline for Submission of Bids has been extended to August 21, 2024 at 3:00 p.m. The location has NOT changed.
- C. We have received questions pertaining to this Invitation. The clarification for one question and its resulting answer appears below:
1. Question: In section 02500 paragraph 1.02c.3 “Re-establish service connections to the sewer. Produce a seal that eliminates infiltration with an epoxy or resin mixture compatible with the liner resin system.”
 - There appears to be no method specified to satisfy this requirement. Industry standards would utilize either a water-tight seal lined over the connection to eliminate infiltration, an acrylic grout connection, or simply re-establish the service robotically. Is it the intent of the county to line each lateral connection that is re-established?

Answer: Technical Specification Section 02500 Paragraph 1.02.C.3 states “Re-establish service connections to the sewer. Produce a seal that eliminates infiltration with an epoxy or resin mixture compatible with the liner resin system. Seal shall be water tight.”

Replace with

“Re-establish service connections to the sewer. Produce a seal that eliminates infiltration with an epoxy, resin, acrylic grout, or other mixture compatible with the liner resin system. Seal shall be water tight.”

- D. It is the responsibility of each bidder to ensure that he is aware of all addenda issued under this ITB. It is **MANDATORY** that this addendum be signed and returned.
