As part of DeKalb County's \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. **The Salem Road Water Main Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that construction activities associated with the **Salem Road Water Main Replacement Project** will begin **Monday, Mar. 17**. Normal construction hours will be from **7 a.m. to 7 p.m., Monday through Friday**, excluding major holidays. Property owners will be notified in advance of significant changes in scheduled work hours.

Please be advised to expect an **increase in construction-related noise and traffic** during work hours. Property owners will be notified **48 to 72** hours prior to the start of impactful construction activities. Our construction crews will work diligently to minimize the length of impact to residents.

Crews will replace 1,350 linear feet of water lines with new 12-inch ductile iron pipe (DIP). **The replacement project is expected to last approximately 6 weeks (March 2025 to April 2025), barring any weather delays.**

**RGI**, working on behalf of DeKalb County, is the authorized contractor for the **Salem Road Water Main Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Salem Road Water Main Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).
