## **ITEMS FOR DISCUSSION**

### A) Director's Report

Director Smith made the following statement regarding questions circulated about Two-Card Ballots:

In State of Georgia elections, the Dominion system maintains various tabulations, including the number of voters who cast ballots and the number of cards on which their ballot is printed. For the May 21, 2024 General Primary, several counties, including DeKalb, had a two-card ballot. Most voters who voted by mail received their ballot on two pieces of paper (cards). Additionally, DeKalb voters who printed their ballot on a touchscreen are listed with two ballots if their corresponding absentee ballot would have had two cards. This feature of the Dominion system only affects the display of summary statistics, not the tabulation of votes for candidates.

Director Smith further stated that the department was going to create FAQs for these types of questions and answers for our voters to access via the VRE website. She stated that the goal is for DeKalb electors to be super voters, empowered with accurate information to ensure they have a good voter experience when they cast their ballots. She then went on to provide operations updates on registration, elections, warehouse, budget, personnel, facilities, and communications activities.

Mr. Lewis asked if moving forward the Board could receive more of the updates in advance of the meeting.

Ms. Motter echoed the same comments as Mr. Lewis. She also commented on the budget noting that compared to the budget presented in May, the largest difference in spending was in salaries due to the June election runoff.

Ms. Jester thanked Director Smith for continuing to present the budget in the meeting packet. She also thanked the Board of Commissioners for investing in the department and funding the budget more accurately. She voiced concerns on whether there is adequate funding left to support the remaining elections. She asked if the plan was to go back to the Board of Commissioners and request a budget amendment. Director Smith assured that the department is actively monitoring the budget, and that VRE is well-positioned to request additional funding, if needed. Ms. Jester expressed her willingness to advocate for funding. She went on to ask for more details on the two-card ballots. Director Smith provided additional information and further discussion ensued.

## **ITEMS FOR DECISION**

### A) Special Election || Doraville Annexation

Motion by Ms. Motter, seconded by Mr. Lewis, to call special elections to present questions to certain DeKalb County voters relating to the proposed annexation of unincorporated territory into the City of Doraville as set forth in Senate Bill 558 and Senate Bill 560.

Director Smith stated that the office received notification from the Secretary of State's office that the Governor signed this legislation on May 6 directing the Election Superintendent of DeKalb County to call and conduct a special election to submit the annexations provided for in Acts 627 and 628 for the City of Doraville.

Amendment to the motion to add that the special election is called for the November 5 election. The motion passed unanimously.

#### **BOARD COMMENTS**

Mr. Lewis expressed his thanks.

Ms. Motter thanked the public, the staff, the County attorneys, and other stakeholders.

Ms. Jester echoed Ms. Motter's comments and apologized on behalf of the Board Chair and Vice-Chair for missing the meeting.

#### **ADJOURNMENT**

Motion by Mr. Lewis, seconded by Ms. Motter, to adjourn. The motion carried unanimously. The meeting was adjourned at 5:16 p.m.

## **DeKalb County Board of Registration and Elections**

### **Procedures for Responding to Voter Challenges Submitted Pursuant to O.C.G.A. § 21-2-229**

1. Challenges to the qualifications of a DeKalb County registered voter to remain on the voter registration list under O.C.G.A. § 21-2-229 may be made only by a registered voter of DeKalb County. Challenges may not be made by voters who are not registered in the same county or municipality as the challenged voter or by private entities, businesses, political committees, PAC, political parties, or other organizations. Therefore, before acting upon a challenge submitted to the BRE, staff must determine whether the challenger is registered to vote in DeKalb County and, if not, the BRE must reject the challenge on this basis.

2. Challenges to the (1) qualifications of a person applying to register to vote in DeKalb County or municipality therein or (2) qualifications of any elector of DeKalb County or municipality therein whose name appears on the list of electors made within 45 days of a primary, run-off primary, election or run-off election shall be postponed until the certification of such primary, election or runoff is completed. Therefore, before acting upon a challenge submitted to the BRE, staff must determine whether the challenge is made within 45 days of a primary, primary run-off, election, or run-off, and if it is, the BRE shall postpone the challenge until after certification of said election on this basis.

3. Upon receiving a written challenge to a voter's eligibility based upon the allegation that he or she does not reside in DeKalb County or in one of its municipalities, the BRE shall require the challenger, under the authority of O.C.G.A. §21-2-229(a), to specify whether the challenge is based on the challenged voter's current residency status or the voter's residency status at the time the voter initially registered. The BRE shall inform the challenger of this requirement pursuant to written notice to the challenger at the address provided in the written challenge. A copy of these procedures shall be included with the notice.

4. The BRE shall not remove any voters from the DeKalb County voter registration list based on a challenge alleging that they were properly registered to vote in DeKalb County at the time of initial registration but may have moved from the address listed in their voter registration file. The sole procedure to be followed in this circumstance is to send the voter a confirmation notice and wait two federal election cycles for the voter to either vote or update his or her information before removing him or her from the rolls as outlined under Section 8(d) of the National Voter Registration Act of 1993 ("NVRA"). If the challenger fails to affirmatively state in writing that the challenge is based upon the challenged voter's residency status at the time the voter initially registered to vote, the BRE shall follow the following protocols:

- (a) If such written notice to the challenged voter is returned marked "undeliverable" by the United States Postal Service, the BRE shall send the challenged voter a confirmation notice pursuant to O.C.G.A. § 21-2-234(b).
- (b) If no response to the BRE's written notice of challenge is received from the challenged voter, the BRE shall inform the challenger that the

challenge does not present grounds to contest the eligibility of the voter to remain on the DeKalb County voter list and no further action shall be taken on the challenge.

- (c) If the challenged voter responds to the written notice with a written confirmation of a change of address, the BRE shall update the voter's record to reflect such change, including the removal of such voter from the active voter list if such written confirmation from the challenged voter reflects that such voter is no longer qualified to vote in DeKalb County.

5. If the challenger affirmatively states that the challenge is based upon the challenged voter's residency status at the time the challenged voter initially registered to vote, or that the challenge is based on grounds other than the challenged voter's residency status, the BRE shall send within (10) business days of receipt of the challenge written notice via certified mail, return receipt requested, to the challenged voter of the challenge at the registered address of the challenged voter, and provide the challenged voter with a copy of the challenge, a copy of these procedures, and the opportunity to provide information in response to the challenge.

6. If the voter supplied a phone number or email address on the registration form or in other writings such as an absentee ballot application received by the BRE, then in addition to the notice provided for in Paragraph 4 above, as soon as possible after receiving the challenge, the BRE will make at least three reasonable attempts, including at least one attempt during non-traditional working hours, to call or email the challenged voter to determine if the issue raised by the challenge can be resolved quickly, efficiently, and informally.

7. If the BRE determines that a hearing on the challenge is necessary, the BRE shall attempt to find a mutually convenient time for the BRE to hold any hearing.

8. Pursuant to O.C.G.A. § 21-2-229, and in addition to the above efforts, the BRE will send a written notice informing the challenged voter and the challenger of the date, time, and place of the hearing along with a copy of the challenge, which hearing shall be set no later than ten (10) days following service of the notice, and shall state that either party may, but is not required to, be represented by counsel or another representative at the hearing. The notice will be sent by email (if available) and certified mail, return receipt requested, first-class mail, or in the manner provided in O.C.G.A. § 21-2-228(c). The notice must be mailed sufficiently in advance of the hearing to provide the person being challenged at least three days' notice of the date, time, and place of the hearing.

9. The challenged voter will have the right to at least one continuance of the hearing date upon request and may be granted additional continuances for good cause shown.

10. The written challenge will be posted on the BRE website within three business days of receipt of the challenge by the BRE.

11. O.C.G.A. § 21-2-229(a) requires that a challenge "be in writing and specify distinctly the grounds of the challenge." Challenges that are not in writing or which consist of

vague, generalized, speculative assertions or conjecture do not satisfy this standard and must be rejected. In particular, residency-based challenges must allege facts sufficient to specifically and distinctly identify the grounds for the challenger’s contention that a registered voter has not satisfied the residency requirements of O.C.G.A. § 21-2-217.

12. Under O.C.G.A § 21-2-229(c), the challenger bears the burden of proving the challenged voter is not qualified to remain on the registration list. Because O.C.G.A. § 21-2-217(b) gives presumptive effect to the registrar’s decision in determining the residence of the challenged voter at the time the registration application is considered, challengers bringing residency-based challenges must produce evidence sufficient to rebut this presumption in order to sustain their burden of proving that the challenged voter is not qualified to remain on the rolls. If the challenger fails to do so, the challenge fails and it must be rejected by the BRE pursuant to O.C.G.A. § 21-2-229(c) and 21-2-217(b).

13. Examples of challenges that would fail to meet the minimum standards required by Section 21-2-229(a) include, but are not limited to:

- (a) Non-individualized or generalized claims (e.g., challenges to everyone registered at a certain address);
- (b) Assertions that a challenged voter’s name is not affiliated with the address of registration in any governmental database. For instance, challenges based on the allegation that the voter’s name is not associated with the utility bill for an address as the sole basis for challenge are insufficient because there could be many residents at a particular address who do not pay the utility company;
- (c) “Voter caging” challenges—blanket challenges to large numbers of people living in certain neighborhoods—shall be rejected if they fail to specify distinctly the basis for the challenge to each voter’s qualifications.

14. In considering the evidence presented in support of or in opposition to a challenge based upon a change of residence, the BRE shall not rely exclusively upon address data on file with the Georgia Department of Driver Services (“DDS”) or other government databases, because voters often fail to immediately notify all government entities about address changes and, even if they do, there are often lag times before the government entity updates its files.

15. Where a voter is a legal resident of DeKalb County and otherwise qualified to vote within the meaning of O.C.G.A. §§ 21-2-216 and 21-2-217, the BRE shall not remove such individual from the voter roll on the basis that the voter faces challenges causing them to live on the streets or in shelters, vehicles, trailers, transitional housing, non-traditional housing or at businesses serving homeless, ill, displaced, economically challenged or other DeKalb County residents in need of housing assistance in the county.<sup>1</sup> When adjudicating such challenges, the

<sup>1</sup> Note that this is a non-exclusive list of possible alternative locations where DeKalb County’s eligible voters may be living in the county.

BRE shall consider the particular circumstances of the voter and the fact that the burden of proof is on the elector who brought the challenge to prove ineligibility.

16. Pursuant to O.C.G.A. § 21-2-229, the BRE will notify challenged voters, in writing by first class, forwardable mail, and by telephone and email (if available), of any change in registration status resulting from challenge proceedings. This notification letter will specify in detail any basis for upholding the challenge.

17. Any notice sent to challenged voters indicating that the BRE has upheld a challenge will include a voter registration form and shall inform the voter that they have a right to appeal the decision by filing a petition with the clerk of the superior court within ten days after the date of the decision of the registrars and that such petition must be served upon the other parties to the challenge and the registrars. The notice shall also include contact information for the other parties to the challenge and the registrars to effectuate such service.

18. A copy of each written challenge upon which the BRE acts will be appended to the Minutes of the BRE meeting at which the action was taken.

19. Pursuant to the NVRA, the BRE shall not complete any activity with the purpose of systematically removing ineligible voters from the list of electors within 90 days prior to the date of a primary or general election for Federal office. This rule shall generally not preclude removal where a voter voluntarily requests removal or there is individualized evidence that a voter is deceased, convicted of a felony, or adjudicated mentally incapacitated without the right to vote.

20. The procedures set forth herein shall apply to challenges to voter qualifications initiated pursuant to O.C.G.A. §§ 21-2-228 and 21-2-229.

21. The BRE will not remove any voter from the registration lists based on residency issues raised by rejected challenges. No state law will be construed to permit removals based on rejected challenges or residency issues raised by rejected challenges.

22. If any members of the BRE or employees or agents of the DeKalb County Department of Voter Registration and Elections challenge the eligibility of voters in their individual capacity while they remain in that position or have a personal or business interest in the mounting of such a challenge, they must recuse themselves from deliberating, voting or otherwise participating in any way in the BRE's consideration of such challenges.

23. The BRE will process all voter challenges expeditiously and objectively, while erring in all instances on the side of preserving the voter's right to remain on the registration lists, in recognition of the statutory requirement that the challenger has the burden of proving ineligibility.

24. The BRE's disposition of voter challenges shall comply with the NVRA, including its requirements that any activity to ensure maintenance of an accurate and current voter registration roll shall be uniform and nondiscriminatory.

**DeKalb County Board of Registration and Elections**

**Procedures for Responding to Voter Challenges  
Submitted Pursuant to O.C.G.A. § 21-2-230**

1. Challenges to the right of a DeKalb County registered voter to vote in an election under O.C.G.A. § 21-2-230 must be in writing, must specify distinctly the grounds of such challenge, and must be filed with the Board of Registration and Elections (“BRE”), in its capacity as registrar. Challenges that are not in writing or which consist of vague, generalized, speculative assertions or conjecture do not satisfy this standard and must be rejected.

2. Challenges to the right of a DeKalb County registered voter to vote in an election under O.C.G.A. § 21-2-230 may be made only by a registered voter of DeKalb County. Challenges may not be made by voters who are not registered in the same county or municipality as the challenged voter or by private entities, businesses, political committees, PAC, political parties, or other organizations. Therefore, before acting upon a challenge submitted to the BRE, staff must determine whether the challenger is registered to vote in DeKalb County and, if not, the BRE must reject the challenge on this basis.

3. Challenges to the right of a DeKalb County registered voter to vote in an election under O.C.G.A. § 21-2-230 made within 45 days of a primary, run-off primary, election or run-off election shall be postponed until the certification of such primary, election or runoff is completed. Therefore, before acting upon a challenge submitted to the BRE, staff must determine whether the challenge is made within 45 days of a primary, primary run-off, election, or run-off, and if it is, the BRE shall postpone the challenge until after certification of said election on this basis.

4. If the challenge is made by a registered voter of DeKalb County and timely, the BRE should be prepared to convene a meeting to determine probable cause immediately upon receipt of a challenge under § 21-2-230.

5. Staff shall notify the challenged voter of the challenge and both the challenger and challenged voter of the hearing date via certified mail, regular U.S. mail, e-mail, and telephone (if available) as soon as possible after scheduling said hearing and no later than three business days prior to the hearing.

6. The written challenge will be posted on the BRE website within three business days of receipt of the challenge by the BRE.

7. The challenger has the burden of proof to present probative and individualized evidence sufficient to meet the probable cause standard that the challenged voter does not have the right to vote in an election.

8. In determining whether there is probable cause to uphold a challenge, the BRE must consider whether there are facts and circumstances set forth in the written challenge which creates a reasonable belief that the challenged voter may not be qualified to vote in an election. The law provides several categories of probable causes, which shall include, but is not limited to:

- a. An elector who is deceased;
- b. An elector voting or registering to vote in a different jurisdiction;
- c. An elector obtaining a homestead exemption in a different jurisdiction; and
- d. An elector being registered at a nonresidential address as confirmed or listed by or in a government office, data base, website, or publicly available sources derived solely from such governmental sources.

The challenger shall still, however, put forward reliable and probative evidence to support a claim that the challenged voter falls within these enumerated “probable cause” categories.

9. Examples of challenges that would fail to meet the minimum standards required by Section 21-2-230 include, but are not limited to:

- a. Non-individualized or generalized claims;
- b. The presence of a challenged voter’s name on the National Change of Address database as having changed the voter’s residence to a different jurisdiction without additional evidence indicating the voter lost his or her residence; and
- c. Challenges to voters alleged to have gained or lost their residency due to (1) a presence or absence while enrolled as a student at any college, university or other institution of learning in Georgia, (2) being stationed on duty in this state as a member of the armed forces of the United States; and (3) moving to a federal territory, another state, or foreign country to engage in government service.

10. O.C.G.A. § 21-2-217(b) gives presumptive effect to the BRE’s decision in determining the residence of the challenged voter at the time the registration application is considered. Challengers bringing residency-based challenges must overcome this presumption.

11. Where a voter is a legal resident of DeKalb County and otherwise qualified to vote within the meaning of O.C.G.A. §§ 21-2-216 and 21-2-217, the BRE shall not sustain a challenge on the basis that the voter currently lives on the streets or in shelters, vehicles, trailers, transitional housing, non-traditional housing or at businesses serving homeless, ill, displaced, economically challenged or other residents in need of housing assistance in the county. When adjudicating such challenges, the BRE shall consider the particular circumstances of the voter and the fact that the burden of proof is on the voter who brought the challenge to prove ineligibility.

12. If the BRE does not find probable cause, then the challenge shall be denied.

13. If the BRE finds probable cause exists to uphold the challenge, the BRE shall proceed as set forth below.

**Where Probable Cause is Found:**

14. Where probable cause is found, the BRE must provide the list of the challenged voters, with the basis of the challenges noted thereon, to the poll officers at the challenged voters' precincts and advance voting locations, and to the absentee ballot clerk.

15. If the challenged voter (1) submits a timely absentee ballot or (2) appears to vote in person after the BRE has determined that probable cause exists, and it is practical to conduct a hearing on the challenge prior to the close of the polls, that hearing will dictate whether the voter can vote in the election.

- a. If the challenge is denied, the voter shall be permitted to vote. An in-person voter shall be permitted to vote notwithstanding the fact the polls may have closed prior to the time the registrars render a decision, as long as the voter proceeds to vote immediately after the registrars' decision.
- b. If the challenge is upheld, the voter shall not be permitted to vote. If the challenge is based on the grounds that the voter shall not be permitted to remain on the list of electors, the challenged voter's name shall be removed.

16. If the challenged voter (1) submits a timely absentee ballot or (2) appears to vote in person after the BRE has determined that probable cause exists, and it is not practical to conduct a hearing on the challenge prior to the close of the polls, the challenged voter must be permitted to vote by casting a challenged ballot, with the ballot then sealed in double envelopes.

- a. For an absentee ballot, the absentee ballot clerk receiving the sealed ballot must write the word "Challenged," the voter's name, and the alleged cause of the challenge on the back of the outer envelope. The ballot should then be deposited into a secure, sealed ballot box.<sup>1</sup>
- b. For an in-person ballot, the challenged voter may cast a challenged ballot on the same type of ballot that is used for provisional ballots. The poll worker must write the word "Challenged," the voter's name, and the alleged cause of the challenge on the back of the outer envelope. The challenged voter should then be directed to deposit the ballot into a secure, sealed ballot box.

17. If the challenge is based on grounds other than the challenged voter's right to remain on the electors' list, no further action by the BRE is required, and the challenged vote will be counted as valid but may be voided in the event of an election contest.

---

<sup>1</sup> See O.C.G.A. § 21-2-386(e) for absentee ballots cast during advance voting.

18. If the challenge is based on the challenged voter's right to remain on the electors' list, the BRE must complete the challenge hearing before the deadline for certification of the election results. If the BRE upholds the challenge, the name of the challenged voter must be removed from the list of electors and the ballot of the challenged voter must be rejected and not counted. Challenges to a voter's right to remain on the list of electors must be conducted pursuant to the BRE's adopted Procedures for Responding to Voter Challenges Submitted Pursuant to O.C.G.A. § 21-2-229, with the exception of timing.

19. The procedures set forth herein shall apply to challenges to voter qualifications initiated pursuant to O.C.G.A. § 21-2-230.

20. Any challenge of a voter that occurs during a primary or general election shall continue through the run-off primary or run-off election of such primary or general election unless resolved.

21. A copy of each written challenge upon which the BRE acts will be appended to the Minutes of the BRE meeting at which the action was taken.

22. If any members of the BRE or employees or agents of the DeKalb County Department of Voter Registration and Elections challenge the eligibility of voters in their individual capacity while they remain in that position or have a personal or business interest in the mounting of such a challenge, they must recuse themselves from deliberating, voting or otherwise participating in any way in the BRE's consideration of such challenges.

23. The BRE will process all voter challenges expeditiously and objectively, while erring in all instances on the side of preserving the voter's right to vote in an election, in recognition of the statutory requirement that the challenger has the burden of proving ineligibility.

24. The BRE's disposition of voter challenges shall comply with the National Voter Registration Act of 1993, including its requirements that any activity to ensure maintenance of an accurate and current voter registration roll shall be uniform and nondiscriminatory.
