Department of Watershed Management

Barbashela Creek Sewer Replacement Project Construction Notice

The DeKalb County Department of Watershed Management is overseeing the construction of the **Barbashela Creek Sewer Replacement Project**, which is expected to be completed by the winter of 2024 in your community.

This letter serves as official notice that rock blasting activities will occur will occur between 7 a.m. and 5 p.m.

Dates: _____

Please note that the blasting contractor, **Palmetto Rock Services**, will continue to monitor blast vibrations at various properties near the construction site. Residents closest to the work site should expect momentary and minimal vibrations that last only a few seconds.

All inquiries about this project should be directed to projectinfo@dekalbcountyga.gov or 1-800-986-1108. We appreciate your patience as we work diligently to make improvements to DeKalb County's water distribution system.
