

NOTIFICATION

Department of Watershed Management Scott Boulevard Water Main Replacement Project Phase III

The DeKalb County Department of Watershed Management is overseeing the construction of the **Scott Boulevard Water Main Replacement Project Phase III** to initiate watershed improvements in your community.

Please be advised that construction related to this project will require a lane shift at East College Avenue between Brown Place and Locust Street. The lane shift will occur from **March 21 to April 4**. Normal construction hours will be from 8 a.m. to 5 p.m.

Motorists should expect delays stemming from the lane shift. Precautionary signs and traffic flaggers will assist in moving safely through the lane shift.

Garney, working on behalf of DeKalb County, is the authorized contractor for the **Scott Boulevard Water Main Replacement Project Phase III**. All workers will be wearing proper identification and driving marked vehicles.

All inquiries about this project should be directed to projectinfo@dekalbcountyga.gov or 1-800-986-1108. We appreciate your patience as we work diligently to make improvements to DeKalb County's wastewater system.
