## Construction Notice Temporary Parking Restriction

The DeKalb County Department of Watershed Management is overseeing the construction of the **Drew Valley Water Line Replacement Project** to initiate watershed improvements in your community.

Please be advised that construction crews will conduct milling work required for paving. **During the work, crews must execute a temporary 'No Parking' restriction on the street. Towing will be enforced upon vehicles that are not in compliance. Contractors will provide a courtesy door-knock prior to related activities.**

Work in your area is scheduled for: \_\_\_\_\_

Upon receipt of this notice, please remove any vehicles parked on the street. Our construction crews will work diligently to restore your area and minimize the length of impact to residents.

All inquiries about this project should be directed to [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov) or 1-800-986-1108.

We appreciate your patience as we work to make improvements to DeKalb County's water distribution system.
