Subject: Barbashela Creek Sewer Replacement Project

Dear Resident/Homeowner,

As part of DeKalb County's \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Barbashela Creek Sewer Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as notification that the **Barbashela Creek Sewer Replacement Project** will require a two-lane closure while crews work to replace aging pipelines. A portion of **Rockbridge Road** between **Sheppard Road** and **San Marcos Way** will be closed from **May 15 to June 15**. Normal construction hours will be from 7 a.m. to 7 p.m.

Motorists should expect delays stemming from the road closure. Precautionary signs and traffic flaggers will assist in moving safely through the road closure. Our construction crews will work persistently to minimize the length of impact to motorists.

Garney Construction, working on behalf of DeKalb County, is the authorized contractor for the **Barbashela Creek Sewer Replacement Project**. All workers will be wearing proper identification.

Should you have any inquiries regarding the **Barbashela Creek Sewer Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
